THE EXHIBITION.—The annual exhibition of the S. & W. Agricultural Society takes place next Tuesday and everything seems to promise a most successful show. Members of the society are urged to send in anything and everything they have worthy of exhibition in order to add to the interest and success. The haying will be well over and there seems no good reason why there should not be full entries in every class and section.

THE SIDDARTHA arrived at Cape Tormentine this morning with a cargo of salt for M. Wood & Sons.

MARSH FOR SALE.—Dr. P. R. Moore advertises in another column eight acres marsh for sale.

SALE OF HORSES.—Mr. Chas. Fawcett advertises a great sale of his entire stock of handsome and stylish horses. Sale will take place on exhibition day and near the exhibition grounds. See ad. and posters.

THE PEOPLES MEAT MARKET opposite Brunswick House Sackville has been purchased by Mr. Chas. S. Ayer. See notice.

FOOTBALL.—The first match game of Rugby football for the N. B. league cup was played between St. John and Moncton at St. John on Saturday and resulted in an easy victory for the home team by a score of 16 to 0. The first game in the league was played on Saturday at St. John and Moncton. The match was a very interesting one and the home team played very well.

RUN AWAY.—While the delivery team of Messrs. Thompson and Morrison of Amherst was passing Aulac Station on the way to Sackville on Monday the horse ran away smashing the wagon and throwing the contents all over the place. The horse and its driver were badly hurt.

SACKVILLE RACES.—About 200 people attended the races at Sackville Driving Park on Saturday afternoon. The 2.40 class was a good race. Following is the summary:

Nelly T. 1 2 1 1
County Girl 2 1 2 2
Heronet 3 3 3 3
Best time was 2.44.

The three minute class was no race at all. Two horses were sent to their stables because their drivers persisted in pulling them. This is a somewhat serious matter for the owners as the book of the race was not closed until the horses were sent to their stables.

Mr. ALISON.—The teachers and students of Ladies College enjoyed a rich musical treat on Saturday evening when Professors Lillibridge and Chisholm presented the accompanying programme to an appreciative audience. The masterly performances of these talented musicians fully justified all that has been said and written in their praise. Prof. Lillibridge's playing was particularly fine and wholly independent of the printed score. There is in Mr. Chisholm's violin playing all the old time enchantment, wide popularity. There is also much more the evidence of long and patient study, the work of the accomplished artist.

The programme on Saturday evening was varied by two vocal solos, one of them a composition by Prof. Lillibridge. The programme was very sweetly sung by Pauline Lachs.
