MORSE'S CARBOLATES NORWESIAN COD

YOU PROBABLY ASK WHY I RECOMMED THES se I know them to be reliable re It is because I know them to be reliable remedies, endorsed by leading physicians throughout the Dominion, for the cure of specific diseases and not claiming to cure everything. Also because they have the exact formula printed on each bottle label, thereby enabling the purchaser to know just what he is taking.

The time is rapidly approaching when intelligent people will refuse to take quack cure-alls, the ingredients of which are kept secret, but will insist upon knowing just what they are taking.

I have on hand constantly a fresh and complete stock of DRUCS, FANCY COODS, Perfumery Etc., also all the leading PATENT MEDICINES
and a full stock of Hair, Tooth and Nail Brushes.

DR. E. C. WEST'S NERVE AND BRAIN TREAT Headache, Nervous Prostration caused by the use of alcohol or tobacco, Wakefulness, Mental Depression, Softening of the Brain resulting in insanity and leading to misery, decay and death, Premature Old Age, Barrenness, Loss of power of either sex, Involuntary Losses and Spermatorrheae caused by over exertion of the brain, self-abuse or over indulgence. Each box contains one month's treatment. \$1.00 a box, or six boxes for \$5.00, sent by mail premaid on receipt of price.

WE GUARANTEE SIX BOXES to cure any case. With each order received bus for six boxes, accompanied with \$5.00, w will send the purchaser our written guarant to refund the money if the treatment does n effect a cure. Guarantees issued only by Geo. C. Allen, Druggist, Newcastle; and C E. Frost, Druggist, Campbellton.

## SALESMEN WANTED!

THE LONDON RUBBER STAMP COMPANY No. 217 Hollis Street, Halifax.

SEND 3 CENT STAMP FOR PARTICULARS.

Dissolution of Co-Partnership.

The partnership heretofore existing between W. C. Anslow and J. J. Anslow, Proprietors and Publishers of "The Union Advocate," Newcastle, is this day dissolved by mutual consent. All persons having any just claims against the firm formerly known as W. & J. Anslow, will please to render their accounts, and all persons indebted to them either for Job Printing, Advertising, or subscriptions to the Advocate are requested to have their accounts settled at once as after a short time the books of the firm will be placed in the hands of a lawyer with instructions to collect the debts therein contained.

Union Advocate, in grown.

DIPHTMIERIA.—To cure diphtheria use Minard's Liniment freely on the throat spread on brown paper or fat pork, put a tenspoonful in one gill of water, gargle the throat often and take I teaspoonful in a tablespoonful of molasses every 8 hours, giving Minard's Family Pills according to directious.

The Bed of an Eastern Prince.

Some time last year there was a tenspoonful of molasses every 8 hours, giving Minard's Family Pills according to directious.

species of food.

Well, here we are, in the big, fragrant with the forty lads and lasses of time. The days are crowded together. parn, with the forty lads and lasses There has been a clean sweeping b . in thin layers, and the nights are there has been a clean sweeping b. In this layers, and the might have the mows, and the floor is as neat smear, from a blackening brush - dr-

as the deck of a man-of-war. It is eight o'clock of a November even ag-sharp without, to be sure, and a bit osty within; but what care we, with ens on? A goodly number of lanterns ave been hung from the beams and Try it. over the doors and on a wire stretched etween the mows, and it is light enough to see the red corn peeping through the carled edges of the husks as they lie in great heap midway of the floor-light

with the young people, and asking after the "folks," and when their "huskin' is comin' off," and how many cows they are milking, and so forth, without once troubling their heads about introducing their guests or seeing that they are "paired off," which is a spontaneous process in country gatherings, and always happens of itself. Later in the evening it is expected that more of the old folks will drop in, just to see how the husking comes out, and to sample some of the good cheer. Their days of gratuitous activity have long since passed, but they "do love to see the young folks enjoy themselves" in the profit-

ed five or six winters like this it is by no means suffered, however, to interquite content to die and tenderly deck a fere with play. The merry joke goes fere with play. The merry joke goes round; the stolen mitten travels about the circle and back to its owner at last.

As fast as the husks are removed from the ears, they are thrown into two separate useless.

The large packs the ears, they are thrown into two separate piles, one for each party, on opposite sides of the heap, and there is sure to be "You must not be despondent; time brings about many changes." "Don't know about that; it never brings any change to me. I work for many changes of the heap, and there is sure to be a deal of pleasant rivalry to see which is jes what they need to build up a side will have the largest heap of corn when the husking is done. It is wonder. change to me. I work for my board and ful to see how fast the mountain of unhusked corn is lowered, though the farmer and his boys keep bringing fresh basketfuls and piling them on the heap. A perfect storm of golden ears keeps

aining on each pile of corn.

As the supply of material fails, the chicks raised afterwards. off their hoods and shawls, and the boys ling aside their overcoats. The faster or by the contesting sides, and with shouts of merriment the husking is

each other's misfortune, but the man who tells a woman that her babe is not pretty is liable to go home with a bleed-nuts and fritters, and slices of snowy cake, pics cut in generous pieces, cider and apples, nuts and home-made candy are passed around. Self-Acting Automatic Car Couplers KEROSINE ILLUMINĂTOR of which they hold patents of the Dom IN EXISTENCE. sale of said patents, or sell territorial rights for their use if required. The said Couplers hav stood the test in the Dominion and U.S., and have no competitors, have also received firs prize at Ottawa Exhibition last season. An Warranted to produce from any test o. Kerosine Oil, a pure white, steady light, Equal to three Gas Jets. arties requiring sketches of same, we will be eased to furnish.

be ary Superior Lamp is positively non-aposive, and will neither break nor smoke he ordinary chimney. The wick movement is very durable, and annot get out of order, yet so simple that anybody can wick a lamp in 20 seconds. Wicks last from six to eight months The lamps are made of brass, cannot break, and will last a life time. What you save in himneys in one year alone is a large item. These lamps are cheaper at their price than ratinary lamps are as a gift, and a great many have been substituted for the gas, to the entire atisfaction of the parties concerned.
