LORD BYNG NEW GOVERNOR-GENERAL

Official Announcement Made on June 3rd—Was Commander of Canadians at Vimy

London, June 3—The appointment of Lord Byng, of Vimy, as Governor-General of Canada in succession to the Duke of Devonshire, was announced officially today.

General Lord Byng, of Vimy, G.C.B., G.C.M.G., was created the first Baron of Vimy in 1919, and his title connects him with the famous engagement at Vimy Ridge, from April 9 to May 3, 1917, when under the command of General Byng, the Canadian Corps in France attacking on a front of 8,000 yards, penetrated to a depth of six miles, capturing 7,000 prisoners and 67 guns and with them the strongest position on the British front. The fight was officially known as the Battle of Arras. Gallant troops, superb generalship, and elaborate pre-arrangements were factors which contributed to the success of the Canadian corps. After Vimy General Byng was promoted to the command of the third British army. General Byng first took over the command of the Canadians in February, 1916, succeeding General Alderson. He commanded the Canadians in several victorious actions against the Germans previous to the crowning achievement at Vimy Ridge. Before the great war he had seen much military service, during the South African War, 1899-1902, and in various African and Egyptian campaigns.

Julian Byng was born on September 11, 1862, and was the seventh son of the Second Earl of Stratford. Lady Byng was Mary Evelyn Moreton, daughter of the Hon. Sir Richard Moreton. They were married in 1902. Lady Byng has written several books.

The Department of Lands and Mines at Fredericton reports that local showers have been general all over the province and have resulted in an improvement in the fire situation.

THE BEHANS HAVE REACHED VANCOUVER B.C.

Halifax, June 12—The transcontinental "hiking" contest is nearly over, one of the competing parties having reached Vancouver Saturday and the other two rapidly approaching that goal, according to despatches to the Halifax Herald which started the hikers off last winter in their walking race from Halifax to the Pacific. Jack and Clifford Behan, father and son, landed in Vancouver at 2.30 p. m. Pacific time, Saturday, after travelling 136 days. Mr. and Mrs. Frank Dill, who were at Harrison Mills B. C. today, are expected in Vancouver by Tuesday or earlier. The other contestant, Charlie Burkman, who has plodded across the continent alone, was not heard from tonight but he is not far behind the Dills.

Although the Behans have reached the Pacific Coast first, the performance of the other pair of competitors is really more remarkable. The Dills have made better time, as they left Halifax several days behind the Behans, and owing to heavy storms lost four days before reaching St. John, N. B.

Burkman was the first to leave Halifax. He was accompanied by another man when he started out, but when the other two pairs unexpectedly entered the race a few days afterwards, Burkman's mate came back to Halifax on a train.

RETURN TO MONCTON FROM TRIP TO THE MIRAMICHI

Mr. Claude D. Bovard, C. N. R. Terminal Agent, Messrs. J. Swetnam, James Lutes and George Crossman, returned this morning from an eight day expedition on the Miramichi River. The party left here going by the N. T. R. to Deersvale. On reaching the head of the Miramichi River they canoed ninety-two miles down to Boiestown, stopping on the way at the principal fishing and hunting resorts. Among the places visited was Griffin's Lodge, which is a favorable resort of the American sportsmen. During the trip forty-two deer were seen, as well as several moose and hundreds of wild ducks and other birds. One deer was so tame that it actually came to their camp and ate salt out of the hand of one of the party. The fishing they report was unsurpassed. Some beautiful trout were landed. In a catch of one hundred and eighteen trout the total weight was sixty-eight pounds, many weighing over two pounds. The scenery down the Miramichi is described as being magnificent and many splendid snaps were secured by the party.
