An Account of Stewardship

Sir Wilfrid Laurier's government has been twelve years in power. It might reasonably be expected that when the premier opened the campaign in Ontario in what is evidently his star speech, it would mainly consist of an account of his stewardship...

The speech of Sir Wilfrid Laurier at Niagara Falls fills several newspaper columns but from one end of it to the other there is no attempt made to give an account of the stewardship of his administration during the last four years or the last twelve years...

When finances were touched upon by the premier his hearers must immediately have pricked up their ears to receive some account of where that \$500,000,000 had gone to, but they were disappointed. He merely dealt with a comparison of the annual expenditure in 1896 and 1908.

The Middleman. The thinking elector will wonder how the Laurier government managed to spend legitimately over \$500,000,000 in twelve years with so little apparent result. The answer...

BLOOD. We live by our blood, and on it we thrive or starve, as our blood is rich or poor. There is nothing else to live on or by. When strength is full and spirits high we are being refreshed—bone, muscle and brain, in body and mind—with continual flow of rich blood. This is health.

SCOTT'S EMULSION. It sets the whole body going again—man, woman and child. Send this advertisement, together with name of newspaper in which it appears, your address and four cents for postage, and we will send you a "Complete Handy Atlas of the World."

Aching Joints

In the fingers, toes, arms, and other parts of the body, are joints that are inflamed and swollen by rheumatism—that acid condition of the blood which affects the muscles also.

Sufferers dread to move, especially after sitting or lying long, and their condition is commonly worse in wet weather.

Hood's Sarsaparilla

Removes the cause of rheumatism—no outward application can. Take it.

not. All he had to say was that as the Conservatives had condemned the platform of '93 they should be glad that he had not carried it out. Could anything be much weaker than that? The Conservatives, like all patriotic Canadians of both parties, have reason to be glad that the platform of 1893, especially its fiscal features, was not put in force.
