CORSETS

Will Fit You Perfectly

American Lady Corsets are worn by thousands of ladies all over America. They stand for the final word in corsetry; producing to perfection fashion's demands for this season, namely, the modish low bust, the very long hip and back-in fact the uncorseted effect so sought after.

"American Lady" boning is very superior, made of specially selected material-flexible more or less to meet the demands of the various figures for which it is intended.

American Lady Hose Supporters are made of Para rubber thread webbing, giving the best possible wear.

We control "American Lady" Corsets for Charlottetown and guarantee them to give satisfaction.

Ask to see the different models.
