On Friday last, a deputation, com-prising the President and two or three of the Directors of the W. G. & B. Com-

Railway Board to state that the Govern-and conditions proposed by the Govern-ment Orders were not acceptable, and that the Company could not undertake to comply therewith; that, the road from Palmerston to Wingham via Listowel,

that without bounses. We think it is about time some change itthe officet was put forth we could easily secure the narrow gauge, and in a thief, a he schoolmarm, a fraud, dition to affording us another outlet to dition to affording us another outlet to the north, which "in the life of trade," it would give us direct and easy second the country to the north, which it is about time some change with the County town. Then there is the Londons, Huron and Bree readin we think it is about time some change project. Seaforth and Clinton, fully We think it is about time some change temperance organization. We alive to the advantages to be gained. was made by the government with re- visit may be the means of about the source of the are putting forth all their efforts to se-cure it, but as we pointed out once before we think. Goderich is the cure it, but as we pointed out one before we think Goderich is the most eligible terminus. Hay will give a much larger bonus if the road is carried up the centre of the township by Zurich, and Stanley would do the control to may field, while doubt he equally liberal. Who will take the matter up? As matters nore, stand we think the Toronto, Grey and Bruce is our best hope. The distance from Wingham to Goderich is an sir line cannot be much ever 16 miles, and the

cannot be much ever 16 miles, and the and is fully up to its old standard of ex- occasion. usual bonus for that section. It would not interfere with the line to Teeswater, May number of this excellent Magazine and it would be much better than going to Kincardine, where at present there is a prospect of three lines running on the same track ! Let us awake from our lethargy and agitate the matter. If Goderich is to be a place we must do something for ourselves, and not allow the track to be taken away from us and it would be much better than going

The Committee of Ways and Means in Congress have been squabbling for a by S. S. Wood & Co., Newburg, N. Y. ime over the Tariff amendment The free traders are in a majority, and have made a report recommendings re-duction of nearly two million of dollars on taxatiev, principally by reducing the on taxatiev, principally by reducing the tise do such a small business that they daties on a number of articles.
