

C.L.B. Night.

Last night the C. L. B. held their annual meeting for the presentation of prizes, and making promotions. The attendance was not large owing to the condition of the weather and the other attractions. Lieut.-Col. Rendell inspected the lads at 8.30, after which there was physical drill, battalion marching and free gymnastics by C. Company.

Lieut.-Col. Rendell read a letter from Lieut.-Col. Outerbridge regretting his absence on account of business engagements. He enclosed a cheque for \$250.00 to be added to the Brigade Fund.

After the prizes had been presented, Privates Hackett and H. Taylor acting on behalf of the Brigade gave the Lieut.-Col. the beautiful cup won by them in the Parade Rink last season. They were presented with gold medals in return. Following is the full prize list:

Physical Culture.

The C. L. B. boys are taking great interest in physical culture exercises, and the gymnasium is becoming very popular. Each night there are wrestling bouts between the lads under the direction of Messrs. Marshall and Haytor. The lads are making great improvement. The officers are now speaking of having a wrestling exhibition, etc. later on in the season. The gymnasium is one of the best equipped in the city, and the boys are taking a great interest in the exercises.

So-Called Sports.

A crowd of so-called sports are making themselves a nuisance going around on Military Road and Colonial Street singing and shouting late in the nights. They disturb people in their beds and cause much annoyance. The police should get after them.

Indigestion & Dyspepsia

In all its Forms Can be Cured.

It is quite a daily occurrence to hear persons say: Oh, what a feeling of distress I have after meals, fullness of the stomach, heaviness and headache, I feel too tired to do anything. I have no heart to exert myself, and at times I care for nothing. I often have a pain in the pit of the stomach, no appetite, my heart beats rapidly on the slightest exertion. I feel just as tired when rising in the morning as when retiring to bed. My sleep is often disturbed, and I often awake with a sense of suffocation and a difficulty of again going to sleep. I have to be careful of what I eat, and my life seems a veritable burden.

Now, it seems a shame and a pity for persons to be suffering like that when it is in their power to get cured by taking a bottle of Dr. Stafford's Prescription. A sure cure for persons afflicted with stomach troubles it can be obtained at

Partridge Berries
Very Scarce.

As the years go by there is an increasing demand for partridge berries, but this season it looks as if the supply will not be equal to the call for them. Last year berry shipments were made to this port mostly from the North, and these shipments amounted to some thousands of barrels. This year to date we learn that only 400 barrels have been landed here. The price now quoted for these berries is \$5 per barrel.

HER LAST TRIP NORTH.—The S. S. Harmony, Capt. Jackson will sail for Labrador as soon as the storm is over. He will visit Hopeville, Macovic, Nain, Okak and Hebron.

CONSTANTINOPLE, Oct. 5.
Since Saturday last the ministry has sat for sixty-four hours, deliberating on the possibilities of the chances of resistance against the Italians. Nothing, however, has been decided upon, and Italy remains mistress of all Turkish coasts. The closing of the Dardanelles blocks the Turkish naval forces chances of making a speedy despatch of help to Tripoli. Consequently the Grand Vizier has proposed to the Council a renewal of negotiations for peace. A new Cabinet has just been formed, but it has no stability and no programme, and therefore must be short-lived.

No offer of surrender had been made by the Turks up to this morning. Following yesterday's bombardment by the Italian fleet, the cruiser Giuseppe Garibaldi entered the harbor and landed two officers. The officers visited the Hamidieh battery, which had been dismantled by the guns of the warships. The battery had been evacuated by the Turks, who had removed the breach locks of the guns. The officers found the bodies of three of the Turkish garrison in the fort.
