"THE BUSY MAN'S REFERENCE
 BOOK."
 Nineteenth Year of Publication.
The Daily Mail Year Book.
 Those who require a book of ready
 reference on all matters of general
 interest should secure a copy of the
 Daily Mail Year Book for 1913. This
 little book is a model of concise and
 accurate information. It may best be
 described as a topical encyclopaedia
 in miniature within its covers; facts
 and figures innumerable are present-
 ed in such a convenient manner that
 we can turn up in a second the sub-
 ject on which enlightenment is de-
 sired, with the certainty of finding all
 necessary particulars, special articles
 on leading questions of the day, writ-
 ten by acknowledged authorities on
 the subjects dealt with, and over one
 thousand biographies of prominent
 people, the noteworthy features of the
 new Year Book. Its scope is practi-
 cally unlimited, its outlook is strict-
 ly impartial, and it is an invaluable
 aid in keeping abreast of the times.
 No one should be without a copy.
 Only 17c. Post-paid, 19c.
