"A Household Word."

The Emerson Piano

has become a household word in Newfoundland and stands as a synonym for all that constitutes a musical and enduring Piano-forte.

CHARLES HUTTON,
Sole Agent Newfoundland.

N. B.—Within the last few months I have played on Emerson pianos that were bought here 25 and 30 years ago, and with the exception of a small portion of the centre, which was a bit worn, the Pianos were practically as good as the day they were sold.

Deal With Heat!

Pain and soreness is a sign of congestion. The blood is improperly circulating somewhere. Heat relaxes parts and equalizes the circulation. The prompt application of a **WATER BOTTLE** will cure ailments quicker than internal medicine—and it's a natural way of relief. This modern appliance is aptly needed any hour in the home. Too little to be without—\$1.00 each, with several prices in between. Write to us when you need anything. Our drug store ought to have it—and we'll take pleasure in showing you how well we can serve you.
