THEY ALSO HAVE A DUTY.

Famous Old Recipe for Cough Syrup

Thousands of housewives have found that they can save two-thirds of the money usually spent for cough preparations, by using this well-known old recipe for making cough syrup at home. It is simple and cheap but it has no equal for prompt results. It takes right hold of a cough and gives immediate relief, usually stopping an ordinary cough in 24 hours or less.

Get 2½ ounces of Pinex from any druggist, pour it into a 16-oz. bottle and add plain granulated sugar syrup to make 16 ounces. If you prefer, use clarified molasses, honey or corn syrup instead of sugar syrup. Either way, it tastes good, keeps perfectly, and lasts a family a long time.

It's truly astonishing how quickly it acts, penetrating through every air passage of the throat and lungsloosens and raises the phlegm, soothes and heals the membranes, and gradually but surely the annoying throat tickle and dreaded cough disappear entirely. Nothing better for bronchitis, spasmodic croup, hoarseness or bronchial asthms.

Pinex is a special and highly concentrated compound of genuine Norway pine extract, known the world over for its healing effect on the membranes.

Avoid disappointment by asking

Noted New York Road Fine Ground for Dry Agents Who Arrest 36.

Albany, N.Y., Feb. 4.-The "bootleg trail," the State highway between Albany and Plattsburgh, lost 36 of its best patrons yesterday when 55 Federal prohibition agents, directed by division chief R. Q. Merrick, of New York, conducted simultaneous raids along the trail and in Plattsburgh, Elizabethtown, Glens Falls, Albany, Troy and Amsterdam, A check of results of the campaign last night showed 36 had been arrested, 32 were on bail, two were being held without bail, one escaped and one was discharged. Bail furnished reached a total of \$88,000 and liquor confiscated was valued at more than \$60,000

The simultaneous raids were the climax of secret investigations begun December 10, by dry agents, posing as professional traders in or runners of illegal liquor. The action was directed chiefly against garage "sup-ply depots," farmers and soft drink

Fifteen men were arrested in Albany, eleven in Plattsburgh, five in Chestertown, two in Elizabethtown, and one each in Glens Falls, Amsterdam and Troy.

THE OLD MORTGAGE. (With Apologies)

low dear to my heart is that little old mortgage, That little old mortgage my ancestors knew; My grandfather nursed it and twice For every six months was the inter-

est due; My father assumed it, and tenderly groomed it, "Some day we shall lift it together," But the dear little plaster stuck faster and faster
And all in good time it descended

to me.

Through all life's vicissitudes that little mortgage Over our heads has with patience remained. Though the children have broken, full

many a token
Of cut glass and silver our wedding day gained; Though thieves without warning broke in one dark morning
And took all the jewels and plate
they could find,
They never discovered that mortgage

which hovered Above us ,or scornful, they left in behind. Through fire's grim disaster, that dear

Unscorched and untarnished, escaped with its life. Earthquakes couldn't shift it, it dared us to lift it! A yoke round my neck and the neck of my wife. Each July and December we've had to remember
The banker who made it when first

it was new, We've clung to old rainment to dig up a payment, A payment for six per cent. interest due.

How dear to my heart is that little old mortgage Which over our heads through the long years has hung! Through my memory passes those legal "whereases"

And all the conditions with which it was strung.

That time-honored mortgage, that

ribbon-tied mortgage, That mortgage which over our lives know I shall miss it, as farewell I kiss it, But old friends must part, and that mortgage I've paid.
