HAMS AND BACON

Have advanced wildly the past few weeks in sympathy with the high prices ruling on Hog products, and higher figures on these goods are not unlikely during the Summer months—the heavy consumption period.

We were fortunate in securing a small quantity of these Meats before the recent "lift" in prices, and are prepared to share the advantages of our lucky buy with our customers—by continuing selling our delicious "Berkshire" Hams and Bacon at prices ruling to-day for a limited time only for prompt delivery.
