ISPECIALIST VICTIM OF DISEASE HE COMBATED

New Westminster, B. C., August 15. —Charles Dean, the alleged bank robber, was unconcerned this morning on B. McClintick of the public health serbout on out uh men. Th' on'y thing I'm Sis arrival here from Los Angeles. He was brought in between Chief Brad-Mountain spotted fever in the Bitter shaw and Detective Burroughs and was formally charged with having broken fected with the disease and is being into the Bank of Montreal on Septem- rushed to Washington for treatment. Dr. McClintick stuck to his post when Before he made any effort to plead, Crown Attorney Douglas Armour said he wished adjournment for eight days.

Adam Laboratory work.

Before he made any effort to plead, the danger of infection was greatest, hobblin' uh stirrups, ner lockin' uh and it is thought he contracted the disspura, ner pullin' leather, either on ease while doing laboratory work. Adam Johnson, counsel for the accused, Rocky Mountain spotted fever exists saddle or halter.

OLD COWMAN DISCUSSES

E-FEMINACY is gradually spoilin' ever'one in thish yer country," bemoaned the Old Cattleman, as he watched a pair of young fellows sway past on the backs of some galloping horses, "Look at them fellers, ridin' tame hosses en havin' rolls on their saddles! It's disgustin', thet's what it is. I kin mind when uh man who come ridin' even uh rolled slicker wasn't counted nothin' but uh sheep-herder. Yessir, hopin' fer now is tuh see some uh th' ole school uh riders at this yer Stampede, then's when I'll prove what I say tuh yuh. I notice that th' rules uh ridin' in th' buckin' contests is purty good, en thet there ain't gonna be no

"When I was uh young feller, I tell uh. I didn't have no buckin' pads, net ollin' fork. I had uh real slick saddle het come up tuh th' horn on un right taper, en th' fork was made tuh holuh steer, not tuh help hold some lolopin', weak-backed rider. Ef uh man lumb on uh hoss in them days he had on his merits. In them days uh man had tuh sit on his saddle, en there wa'n't no new-fangled braces er umps, en wedges tuh cement him

ollin' fork saddle I ever see. It was ut on th' Belly en we's shovin' uh erd uh steers acrost th' river, swin nin' 'em jest by th' ole crossin'. Long comes uh gink with uh new caddle what looks ez though it's deformed en crippled. It has un fork like un full-sized barrel it has them lumps un pads below th' belly uh them swellin' forks. There's uh wild lookin' feller aboard n he looks at us ez though he thinks he's uh purty fair specimen uh cow man. Bill Sullivan who's foreman uh our outfit walks up tuh him en looks him over curious, then asks:
"'What's th' deformed fork fer?'

"'It's a swellin' fork, newest style, explains th' wild gink, proud-like.
"En them nice soft cushion things! persists Bill, curiouser then ever. 'Them's buckin' pads,' sez the other

'My Gawd, boys!' moans Bill, like ez though he's busted his heart, 'here's uh purty, sweet-faced little girlie come tuh us wearin' men's clothes. My sou en body! Ain't she th' most immodest, ever see?' en he p'ints his finger laughs. 'This guy is th' king-pin four usher uh th' age,' sez Bill, en draws jest quick enough tuh shoot th' stranger through th' wrist aforez th latter gits his gun fairly loose.
"En yuh thinks yuh'r uh cowpuncher,' sneers Bill, while th' guy groans en holds his wrist. 'Uh man what rides one uh them there easy chairs is uh disgrace tuhz th' range. Then we ties up that feller's wrist en he rides on, but he don't git no job what he's lookin' fer in our country cause uh thet there ee-feminat saddle. No real cowgirl would un rode in thei thing in them days, let alone uh real puncher. Think uh dependin on leather en wedges instead uh beir

hem there new-fangled saddles. "But," said the Old Cowman, cheering up perceptibly, "I see that th' rules

th this Stampede is made along old

ops is cut out. Them rules must uh in made by some feller who knows th

range life, sure. They gotta have

leather on their spurs, they can't ride on 'em, they gotta ride with uh halter,

they kain't ride on th' halter-rope, en they can't make uh sign even toward pullin' leather. I betcha these fellers show us some real ridin' when they git on th' back uh some sun-fiahin' devi

what's hittin' th' ground fifty times uh second. I betcha yes. Ef they stay, he concluded, doubtfully.

Efforts to Take Question Out

of Politics Resolved in

1909, He Says

Ottawa Aug. 15 .- In the course of an

nterview today with the Evening Cit

"I am rather amused over the pres-

nt talk of the desirability of taking

cs just as if a resolution to this ef-

ect had not been unanimously passed

both sides of the house as recent-

'Judged by the present actions of

the conservatives the yevidently took that stand solely because they thought that it would trouble Sir Wilfrid Lau-

that it would thouble Sir Wilfrid Lau-rier, for since then the have completely Ignored that resolution and made the question very much a party one. The unanimous action of 1909 was the ba-sis for the calling of the imperlal con-ference of that year, in which all the overseas dominions were represented and the policies then agreed upon were

overseas dominions were represented and the policies then agreed upon were afterwards approved by the Conservative party. I hear there is talk of repealing that act and certainly the invitation to Sir Wilfrid to attend the comping conference is only a shallow mockery of the original understanding between the two parties. If that act had been carried out we would now have eight or nine battleships under process of contruction and thousands

rocess of contruction and thousand: of sailors and marines being trained to man them." As for contributing financially to Great Britain's defence, is the idea to

guns, etc., our goes into the improve-ment of the country which is surely as vital a way of strengthening the em-pire as any. Thoungh this compari-son is not given as an excuse for es-

aping our real responsioning, nust not forget, as Sir Charles Tupper

pointed out some years ago, that we are bearing our load in our way as England is in hers and creating on this

side of the Atlantic an asset as useful or more so to the life of the empire."
