Stratford and Bolt Works Win In Holiday Soccer at the Heights

Chelsea Lodge and Thistles Defeated By Three to One.

Before one of the largest crowds that has attended a soccer game this season the Stratford Carshops team defeated Chelsea Lodge by a score of 3 to 1 in a hotly-contested match on Carling Heights.

The winners had a better forward line than the losers, who, however, showed up well at goal.

At half-time the Stratford team led by 2-0. Chelsea scored its only point on a penalty directly in front of the goal. The line-ups:

Stratford	Chelsea
Carr.....Goal	Bidge
High.....Full Back	T. Walker
Brose	Wakeling
Rose	E. Harper
Captain	Captain
Sneddon	Gale

The score does not indicate the run of play, but all the same the Bolt Works deserved to win.

The Liberal Bowlers Lose To Aylmer

The London Liberals journeyed to Aylmer and met defeat at the hands of the bowlers of that place by over 100 pins in the five-men event, and broke about even in the doubles. The London men could not find the king-pin at all, and ran into all kinds of bad luck.

However, everybody had a most enjoyable time, so the object of the trip was fulfilled. The Aylmer trundlers treated the Londoners like princes, and when the former come here for a return series shortly the locals will attempt to reciprocate.

The scores:

THE TURF.

Winners Yesterday.

At Aqueduct—Madeline Musgrave to 5, Jim McGill 6 to 5, Grapple 3 to 1, Alauda 2 to 1, Tim O'Toole 10 to 1, Besom 9 to 10.

Dan McEwen this morning added three horses to the string of circuit-chasers he has at Queen's Park.

THE EAST END LEAGUERS had a good practice yesterday, and are rapidly rounding into shape for the opening of the season, a week from today.

ENTRY BLANKS FOR THE OLYMPIC TRIALS at Queen's Park on May 16 can be obtained at the Y. M. C. A. The entry list promises to be a large one.

WINNERS IN THE MCCLARY ROAD RACE last year were barred from competing yesterday. This ruling tended to keep down the number of contestants.

"SHORTLY AFTER STARTING OUT I suffered from a pain in my stomach and had to walk a considerable distance," said Art Kingsmill.

ARTHUR KINGSMILL WINS M'CLARY FINISHES FIRST IN THE ROAD RACE, BEING EIGHT MINUTES AHEAD OF JOLLY.

Despite the fact that the entry list included but five names, the McClary road race to Byron and return yesterday proved to be a successful event.

Arthur Kingsmill turned up as the fastest of the quintet, and he was not forced to extend himself, there being eight minutes difference in his time and that of the second man, Albert Jolly. Kingsmill's time was 1 hour and 14 minutes, while Jolly did the distance in 1 hour and 22 minutes.

The third man to finish was James Gramlick. He came in two minutes after Jolly, and appeared to be in better shape than any of the runners. Wm. Holmes finished fourth, and the fifth runner came home in a wagon.

Two of the runners journeyed to Byron on the south side of the river and the other three went around the other way.

Last year the race was won by Bob Kingsmill, a brother of this year's winner, but as there were several miles difference in the distances, no line can be obtained on their comparative times.

The committee in charge of the race was as follows: J. K. H. Pope, John Walcott, George Neilson, J. Walcott, G. Tripp, W. Hayden and C. Crossby.

ST. THOMAS ROAD RACE

McMichael Wins Annual Collegiate From Port Stanley.

St. Thomas, April 18.—The Collegiate road race from Port Stanley to St. Thomas yesterday brought out but three starters. The race was won by Norman McMichael. Robert Reid came in second and Lionel Dunsmore finished third.

The winner gets a handsome cup and the other two runners will be presented with silver medals.

TERRIBLE TERRY TO MEET SUMMERS

New York, April 18.—Terry McGovern, the featherweight champion, will re-enter the ring. The "little demon" will meet Johnny Summers, the English lightweight, on April 30 in a 10-round fight before the old Broadway Athletic Club at Lyric Hall. The two boys will battle at catch weights. McGovern probably tipping the scales around 134 pounds.

In preparation for this match Terry will take up quarters at his old training ground, Johnson's roadhouse, on Jerome avenue, where he will be assisted by his former sparring partner, Charles Magwood and Martin Canole and Bant Dorsey. The return of McGovern will be a big surprise to the sporting fraternity, and if he comes back in good form it will be one of the athletic miracles of the century.

His Last Battle.

When McGovern fought his last battle with Young Corbett in the post-bellum, at Philadelphia, it was the general opinion he had been seen in the ring for the last time.

Only a month later it was necessary to send the popular boy to a sanatorium. After spending a few months there he was released as cured, and he toured the country with a vaudeville show.

When the Giants went south on their training trip, McGovern canceled his theatrical engagements and got into shape on the ballfield. He returned to the city with the Giants in fine physical condition and then said he was ready to return to the ring.

Joe Humphries, McGovern's manager, was loath to allow Terry to enter the ring unless he was fit for the game. McGovern and Dr. Joseph Creamer paid a visit to the Police Hospital yesterday, and the pugilist was put through a thorough physical examination by Professor E. L. Keyes. After the examination Terry was pronounced to be in good physical and mental condition.

GOLF.

St. Thomas, April 18.—The local golf season was officially opened here yesterday, when teams captained by C. H. McGhie and Rev. L. Pidgeon met on the Golf Club links and played to a tie.

A match between St. Thomas and London has been set down for May 16.

GANS TO LIMIT BOUT WITH YOUNG PACKIE

Lightweight Ready To Meet McFarland, But at Twenty Rounds.

Chicago, April 18.—Joe Gans, king of the lightweights, tarried between trains in Chicago yesterday just long enough to make known his attitude toward Packie McFarland and his prospects of meeting the little "harp" in a 45 round bout on the coast. The "old master" is willing to tackle McFarland in a 25-round bout, but he is not willing to risk his title in a contest of more than 25 rounds. As for Packie, I will sign with him immediately upon reaching Frisco, providing Cottrill will stage a 25-round go, and I'll guarantee Packie the toughest fight of his career for every night indubitably. From a business standpoint a bout with Packie would attract a greater crowd, I believe, than a long-drawn-out mill with Unholz or Nelson.

Mixed Up.

"Everything seems to be mixed up on the coast and I don't know who I will fight until after I reach San Francisco. I certainly intend to claim Nelson's forfeit of \$2,500 for backing out of his recent offer to meet me. A 45-round fight with the Battler would be nothing more or less than a rough-house affair with the Dane clinching and mauling away at closing quarters from bell to bell. Such a fight as that never makes a hit with the fans."

The veteran says he is out for the "bacon" this time, and will take a whirl at Unholz, Nelson and McFarland in turn providing the coast promoters are ready to back him. If they can assure him a \$25,000 house for a fight with McFarland the champion will sign at once. Gans says McFarland stands head and shoulders over Unholz or Nelson in his class, and figures that Packie would prove a more dangerous opponent than either of the other boys.

Loaded to Teeth.

Gans was loaded to the teeth with trunks and suit cases and says he is determined to put in several weeks in the golden west. He lately has blossomed out as a writer and among his literary efforts are a number of typewritten on which he expects to grind out daily reports of life in the training camp.

Forsyth, Toronto; Duncan McMillan, Beaverton; Woody Tegar, Toronto.

MORAN GOES HOME FOR A PAYING BOUT

New York, April 18.—Owen Moran, the English featherweight, grew tired of waiting for a good match in this country and has sailed for England with a neat bit of change in his pocket, the profits of his ring and theatrical ventures while in this country. Although sidestepped by most of the fighters of his class in this country, Moran is sure of some profitable bouts at home, as his draw with Abe Attell added greatly to his prestige, and he will probably not return to this country for some time unless offered a finish fight with Attell.

OFFERS BIG PURSE FOR "HACK" AND GOTCH

London, April 17.—Frank Morley, on behalf of a syndicate, offers £2,000 for a match between Hackenschmidt and Gotch, the wrestlers, in London on May 16. The syndicate will divide the purse as they like and choose their own referee, and make whatever other arrangements they please. The syndicate will not hamper them in any way. It will only demand that each deposit a guarantee of £200. The offer is being sent to Gotch immediately.

PRES. PULLIAM'S OPINION

National League Official Explains Vexed Point in Scoring.

Cincinnati, April 17.—President Pulliam, of the National League, who was here today, said:

"When two baserunners negotiate a double steal each should be credited with a stolen base, but if the catcher throws one of the two out the other should not be credited with a stolen base, as he reaches his destination on a put-out."

"I hardly think it fair to the catcher to credit one runner with a stolen base if he nips the other when the pair try for a double steal," said Pulliam, "he certainly cannot throw out both base runners and should be protected to that extent. Of course, there may be some who differ with me, but that is my opinion."

"You can't imagine how many inquiries I receive about different plays that come up during a season. There are hundreds of them, and I suppose in many cases my opinion differs radically from that of someone else. Scoring is, to a great extent, a matter of judgment."

"At present I cannot think of any plan by which a universal system of scoring every play can be decided upon. I have known of instances where half the scorers in a press box have credited a player with a hit, while the other half gave a fielder an error."

NEW LACROSSE CLUB

Said Seven National Players Are Ready To Jump to New Lacrosse League.

Montreal, April 18.—The latest rumor in lacrosse circles is that there is trouble in the ranks of the National Club, and should the Shamrocks remain out of the N. L. U. schedule for the season of 1908, there would be strong backing for a new French-Canadian club in Montreal, ready to join in any proposal for a new league. It was stated in well-informed circles yesterday that seven of last year's National team would not appear this summer under the colors of their old club, and that even if the Shamrocks finally patched up peace with the N. L. U., the French-Canadian players would form a new club to go into a new league. The players who are said to be dissatisfied are Secours, Decarie, Gauthier, Laviolette, Clement, Dulude and Polier. These players, it is said, are willing to appear under the colors of the Canadian Athletic Club, and would welcome any move on the part of the Shamrocks toward the formation of a new league. The French-Canadian following is so strong that it is figured out that such a club, combined with the

Shamrocks, would give any new league a strong start.

BASEBALL.

In a commercial baseball league practice game yesterday the Bank of British North America team defeated the McClary team by a score of 14 to 6, in a rather loosely played contest, on St. John's athletic field. The batteries were: Woods and Sage; Gilmore, Judd and Nopper.

A game of ball was played on April 17 on the C. P. R. park between the London Stars and the Maple Leaves. The batteries: Stars, T. Muck, pitcher; Collins catcher, Maple Leaves, Fitzmaurice and Hoyle. The score was 9-2 in favor of the Stars.
