# CHINESE PRESIDENT SENDS NOTE TO POWERS

#### Tells How China Has Suffered and Promises Peace and Progress Under Republic.

Shangbai, Jan. 5.-Dr. Sun Yat Sen provisional president of the Chinese Republic, which was declared at Nanking, issued today a manifesto to the foreign powers in which he explains the public aims and policies of the Republicans in China. In it he says that the present situation has been forced on China by Manchu misrule which was incapable of remedy without a revolution.

"We now proclaim the resultant overthrow of despotic sway and the birth of a republic."

The manifesto is a lengthy document. It sets forth in detail the wrongs of the Chinese people and then elequently promises strict adherence to all

It gives an assurance of the safety of the persons and property of for-eigners in China. It provides for equal treatment of the Manchus and for the establishment of a stable Government. It declares that it will abolish all

restrictions on trade and that it will undertake the revision of all laws, and will insure religious toleration. It then asks for the aid of foreign nations "for the consummation of the plans which they have so long been

our country."

It concludes: "With this message of goodwill the Republic of China cherishes the hope of its admission to the family of nations and its future co-operation in the great of building up the civilization of the world." The manifesto is signed, "Sun Yat
