M'KEOWN CLAIMS AUDIT IN FIRST STORM MIGHT HAVE SAVED BANK

Lightning Touches Two Church Commissioner's Report On Home Bank Probe Tabled Yesterday.

INQUIRY JUSTIFIED

Canadian Press Despatch. Ottawa, June 11.—Judge McKeown's report on the Home Bank was tabled He finds that if an effective audit had been made in 1916 or 1918, the result would have been either iquidation immediately following the audit or amalgamation with another Judge McKeown makes no specific

recommendation in regard to reim-

of the audit would have been hurch has been struck, which upsets upon the post. on of the present depositors, the report finds that: 1. If made in 1916 the present depositors would have suffered no loss. 2. If made in 1918 "I do not think thurch was put out of order and any loss would have fallen upon them."

> dition of the bank as revealed by the affairs, in either: representation made was such as to justify an investigation under the owers conformed upon the minister finance under section 56A of the

"I think it is right to say also," continued the report, "that the min-ister's intervention in 1916 resulted in dent with the understanding that he should discharge the duties of presi-dent and have full powers with re-spect to the organization of the staff. This change appears to have met with the approval of all concerned, although no improvement seems to have actually resulted from it." The report recounts the steps taken by and in reply to the question what steps could have been taken by the government to save the situation

"The only step that the government could have taken to save the situation would have been to make bank's affairs, which would have re-In forcing the liquidation of

2. Bringing about its amalgama-

Answers Questions. The report says that there was no evidence of representations of any

kind having been made to the gov-ernment concerning the Home Bank subsequent to 1918. There was nothto indicate that the attention of h. W. S. Fielding had ever been wan to the existence of the variawn to the existence of the vari-s memoranda or to the correspondence.
The questions referred to Judge

McKeown and his answers thereto

are:
Question No. 1. Whether in the
years 1915, 1916 and 1918 representations were made to the department
of finance of the Dominion of Canada respecting the condition of the Home Bank of Canada, and if so, Home Bank of Canada, and if so, what representations were made?

Answer (a). In the year 1915 no representations were made to the department of finance of the Dominion of Canada respecting the condition of the Home Bank of Canada. Facts relating to the agricultural fituation in Western Ontario, and such representations were made in the year 1916, as well as in the year 1918.

(b). The following important rep-

tent farmers.

The party will motor from Clinton, ind will arrive in London before hoon. W. H. Porter, president of the hoon. We have the partment of finance concerning the hoon. We have the partment of finance concerning the partment of canada during the years 1916 and 1918.

accounts were carried into profit year the basis of such fictitious earnings. 4. That arrangements agreed upon at a meeting of the board of directors with a view of passing upon all credits and making an early statement showing the bank's position, with recommendations, were not car-
