FRIDAY, OCTOBER 26, 1888. From The Daily Colonist, Oct. 25. LOCAL AND PROVINCIAL.

Electric Railways. Seattle, W. T., has consolidated all her street railways and is about to replace the Vancouver street railway company to operate cars by electricity, has just been chartered.

A Rock Slide Near C. F. R. Traffic. No mail reached the city from the East last evening owing to the through train falling to arrive at Vancouver before the Yosemite left at 3:30 p.m. The delay was due to a fall of about fifty feet of rock on the line of the C. F. R. west of Yale, on Tuesday morning.

Charged With Stealing. In the provincial court yesterday afternoon two Indians were brought before E. Pearson, J. P., charged with the larceny of \$54 from the steamer "Indian" at Victoria. Outlaws at Leith's Landing on Friday. Outlaws was the only witness examined, and the former hearing was adjourned to the next afternoon.

A Patient Accident. Mr. Allan Clark, the western agent of Norris, Stone & Wellington, nurserymen of Toronto, met with a serious accident while moving a heavy packing box on Yates street yesterday afternoon. The patient is breaking, but his right knee badly hurt, the cap being slipped.

Police Notes. Bob, a Nil-Nat Indian, on remand, was fined for being drunk. Herbert King, a boy less than 14 years of age, was charged by the S. P. C. A. with abusing his horse owned by Dr. Hargrave. The charge was moved, but the boy's youth and inexperience was held against him. A charge will be laid against the father.

Inquest at Nanaimo. A coroner's inquest was held at Nanaimo yesterday before Mr. Plunket, B.M., and a jury, on the dead body of a man who was found drowned in the harbor. The evidence went to show that the body was that of James Baxter, who was reported missing from the steamer "Cox" last week. The body was much decomposed and had evidently been in the water some time. There were no friends to identify the body.

The Ancon's Chinese Allowed to Land. Judge Allen, of Tacoma, following the decision recently given by Judge Sawyer, has decided that the Chinese on the Ancon shall be permitted to land on American territory. The Ancon was allowed to land without delay. The Chinese help on Ancon was also got rid of as the captain does not care as they have further trouble over the Chinese question.

Prize Fight Near Port Townsend. A fight to a finish between Charles Haskins, of Port Townsend, and "Court" Myers, of Indians, came off at Port Townsend Bay on Sunday morning in the presence of some 5,000 spectators. The fight was a close one, and Myers was the victor. The fight was a close one, and Myers was the victor.

Vancover World: J. Rooney, of the Postal Service of British Columbia, is in the city today and will be in the city this evening. Mr. Rooney is one of the pioneer postoffice men of this province and in all places he has filled, and there have been many and generous, has discharged his duties with every degree of credit. It is a matter of which the public has an honorable position in the main.

Food, the Millitiam. J. C. Flood, the Clark in a private, is slowly but surely dying at a German spa. His ailment is kidney complaint, and he has been in the hospital for some time. He has been in the hospital for some time. He has been in the hospital for some time.

Exp-Customs Office Experience Station. The Seattle Post-Intelligencer states that Chester Terry has gone to Victoria for a long time in the customs service at Foster Sound and was a side partner of E. A. Gardner. He got mixed up in a case of opium smuggling from British Columbia to avoid punishment. He made considerable money from his smuggling transactions and was thereby enabled to live in comfort at Victoria.

When the great revivalist, Moody, opened his meeting in Victoria, the first to hear the celebrated preacher was among the immense throng attracted there to hear the celebrated preacher who attended every meeting. He and his party were the first to enter the hall and the last to leave. He listened to the great divine become conspicuous as one of the principal mourners. He experienced religious consolation, and his mind was made up to be a Christian.

West-Headed. Yesterday morning when the steamer Yosemite left for Vancouver, quite a large party was experienced in getting the vessel away from her berth at the C. P. R. wharf. To add to the difficulty U. S. revenue cutters were anchored in the harbor exactly where the Yosemite usually swings around to pass clear of Laurel Point. Capt. R. B. B. backed his vessel down to Turner, Boston's wharf, and then swung the bow of the Yosemite well out into the stream.

The stern lines were cast off and the large steamer moved off, obeying her helm admirably and making a sharp turn almost within her own length. Deputy Mayor, passing out of the harbor in a manner which elicited the admiration of all on board and the few onlookers who were on the wharf. Capt. B. B. B. is evidently

LOCAL BRIEFS.

The furniture sale advertised to take place on Tuesday, Oct. 26, has been postponed till further notice.

The members of Court Northern Light, O. W. Stewart, of Vancouver, has had an exciting chase after some Fort Rupert Indians, who were bound north with a quantity of gun in their possession. One canoe was captured, and eight full cases of red-ox gun were seized, which had been supplied by parties in Vancouver. The names of those parties have been ascertained and they have been summoned to appear in the police court.

Apparatus of the Boat. The steamer Robert Donohue, Capt. Rogers, made a trial trip on Monday afternoon, several gentlemen being aboard. The steamer under the new improvements was a splendid satisfaction, making ten miles per hour easily at 140 revolutions per minute. Her owners are delighted with her performance. The engines are compound tandem with twin screw, and worked splendidly throughout the trip.

The steamer "Indian" at Leith's Landing on Friday. Outlaws was the only witness examined, and the former hearing was adjourned to the next afternoon.

MATIVE HOUSES OF ALASKA.

The houses of the natives are much the same in all divisions of Alaska. The dwellings are thus described: A circular mound of earth, grass growing on the top, and a hole in the center, through which the smoke of the fire escapes. The interior is a small square or rectangular room, with a hole in the center, through which the smoke of the fire escapes.
