## The Saanich Agriculturists

Closing Day of the Annua Exhibition of the Society.

Large Attendance From the City and District-Prize List.

The attendance vesterday at the a ion of the North and South Saanich Agricultural Society was th largest in years, many going out from the city, the drive being an additional ation. Mention was made yesterday of the exhibits in the hall and all that necessary to add is that the exhibi of live stock were on a par with tho already described. During the afternoo for the entertainment of the visito An unfortunate accident occurred during one of the races, a horse running away and rather seriously injuring Mr. Few. He was brought to the city and sent to the Jubilee hospital. The full prize list follows:

### LOCAL NEWS.

Board of Trade.—A meeting of the council of the board of trade will be held on Tuesday at 11 a.m., to confer with the Canadian Pacific Navigation Company and to transact the affairs of the board generally.

Taken to Quarantine.—Twenty Indians, recent arrivals from the Sound hop fields, where there are a number of cases of smallpox, were taken to William Head quarantine station yesterday, as a precausionary step. nary step.

United in Marriage.—Last evening, in the parlors of the Dawson hotel, Mr. Alexander M. Lyon, of New Westminster, and Miss Sarah Hunt, of Fort Ruptural and poultry show, although not quite up to previous years in quantity,

was fully equal if not ahead of any of its predecessors in quality.

The weather, although a little threatening, was pleasant until the conclusion of the show, when it began to sprinkle rain.

On the whole, the show in all its departments might be considered a succession.

Everything passed off pleasautly and without the slightest hitch, and great credit is due to the committee of management.

The Fifth Regiment band was in attendance and discoursed sweet music throughout the day.

The samples of fruits displayed on the sables were not only "immense," but very tempting.

Laid at Rest.—The funeral occurred yesterday afternoon at 2:30 from the family residence, Douglas street, of the late Mrs. Jenkinson, Rev. Dr. Wilson conducting services at the residence and the graveside. The pall-bearers were Mesers. C. Booth, R. Carter, J. T. Hoppen, G. Robertson, J. Smith, Sr., and J. Boyd.

Missing Warran Located. The Rest.

Spy Apples—1, Mrs. McKenzle; and of the department was not behind, behinds any of the association's previous exhibitions.

Tables were not only "immense," but very tempting.

The jams and bottled fruits were of woman who was reported in yesterday's Colonist to have given the police some concern through her mysterious absence from her home, was located yesterday afternoon, after considerable difficulty—in a barn at Rod Hill. Her case is being investigated. It is thought her mind is exhibitions.

but is said to have surpassed in sold things any of the association's previous exhibitions.

The grains and seeds may be said to be fairly up to the average, both in quality and quantity, and in fact some of the samples of oats shown would be hard to beat.

A sample of grasses, beautifully arranged in a glass case, exhibited by Mr. a: Chas. Bazett, agent for Messrs. Sutton & Sons. England, from an educational standpoint, was very unique, and worthy of special mention.

Home Grown Barley.—Henry Reifel, manager of the Union brewery, at Nanaimo, a few years ago sent out a quantity of barley seed to farmers, free of charge, with the object of having barley growing taken hold of, if it were feasible. From Newton Crane, Esq. late United States Consul, Manchester: "Your Carbolic Mecent information at hand indicates that the experiment is likely to prove a success, which is a matter for congratulation.

The grains and seeds may be said to manager of the Union brewery, at Nanaimo, a few years ago sent out a quantity of barley seed to farmers, free of the union brewery, at Nanaimo, a few years ago sent out a quantity of barley seed to farmers, free of the union brewery, at Nanaimo, a few years ago sent out a quantity of barley seed to farmers, free of the union brewery, at Nanaimo, a few years ago sent out a quantity of barley seed to farmers, free of the union brewery, at Nanaimo, a few years ago sent out a quantity of barley seed to farmers, free of the union brewery, at Nanaimo, a few years ago sent out a quantity of barley seed to farmers, free of the union brewery, at Nanaimo, a few years ago sent out a quantity of barley seed to farmers, free of the union brewery, at Nanaimo, a few years ago sent out a quantity of barley seed to farmers, free of the union brewery, at Nanaimo, a few years ago sent out a quantity of barley seed to farmers, free of the union between the search of the union between the samples of the union brewery, at Nanaimo, a few years ago sent out a quantity of barley seed to farmers, free of the s

& Sons, England, from an educational standpoint, was very unique, and worthy of special mention.

The vegetables displayed on the tables were simply enormous and a noticeable feature in this department also was that a large proportion of the first and second prizes were alotted to the product of Sutton & Son's seeds.

Owing to the presence of the cut worm during the growing season, the exhibits in roots and vegetables were considerably curtailed, and, while the exhibition was on the whole a success, the presence of this pest did much to lessen the volume of the exhibits in many of these lines.

The horses and cattle were good, although perhaps not quite so plentiful, as the district has never made much pretensions in this department until recently, but from present appearances cattle raising and dairying may be looked forward to as one of the coming features of the district.

The judges for the various departments were:

Cattle—Mr. Cathard,

Bread—Mrs. Stewart, Nanaimo.

Vegetables and fruit—Mr. Campbell, Mount Tolmie, Mr. Pannell, Nanaimo.

To Purchase Organ.—An effort is being made by the members of St. Saviour's church, Victoria West, to arrange for the purchase of a pipe organ, which is at present in use in a church at Unsworth, a small village near Portsmouth. The organ is rather larger than is required by St. Saviour's church, but the price is very low, and it is, therefore, considered a desirable purchase. The instrument, of course, being suitable to a simple village church in the Old Country, cannot be compared with those existing in the Victoria churches; but it will, nevertheless, be a welcome addition to the equipment of St. Saviour's.
