ENTHUSIASTIC MOTHERS.

When mothers become enthusiastic over a medicine for little ones, it is safe to say that it has high merit. Every mother who has used Baby's Own Tablets speaks strongly in praise of them, tells every other mother how much good they have done her children. Mrs. Alfred Marcoux, St. Charles, Que., says: "I strongly advise every mother to keep Baby's Own Tablets in the house always. I have used them for teething troubles, colic and other ill of childhood and found them the most satisfactory medicine I ever tried." These Tablets are guaranteed to contain no poisonous opiate and no harmful drug. They are equally good for the new born baby or the well grown child, and are a sure cure for all their minor ailments. Sold by medicine dealers or by mail at 25 cents a box by writing the Dr. Williams' Medicine Co., Brockville, Ont.

DESTRUCTION FIRE IN WARWICK.

About 10.30 on Friday evening last the barn on the farm of Kingston Bros., lot 15, con. 4, S. E. R., Warwick, was discovered to be on fire. Mr. J. W. Kingston was the first to notice the blaze, and summoning assistance made every effort to extinguish the fire, but it had attained such headway that it was impossible to check it. By strenuous efforts a horse and a few other articles were saved, but three cows perished in the flames. The contents included about forty tons of hay and a thousand bushels of grain together with the implements used on the farm. There was an insurance of \$1075 in the Lambton Mutual on the building and contents, and the loss will be over a thousand dollars above the insurance. The origin of the fire is a mystery, as no one had been in the building for over an hour before the fire was noticed. The loss will be a heavy one on the proprietors, as they had not disposed of their season's crop. On account of the fire they are having a sale of their live stock on Friday of this week.

Most people know that if they have been sick they need Scott's Emulsion to bring back health and strength.

But the strongest point about Scott's Emulsion is that you don't have to be sick to get results from it.

It keeps up the athlete's strength, puts fat on thin people, makes a fretful baby happy, brings color to a pale girl's cheeks, and prevents coughs, colds and consumption.

Food in concentrated form for sick and well, young and old, rich and poor.

And it contains no drugs and no alcohol.
