# COMMUNICATION.

MR EDITOR, - A subject has just been Harvey, announcing that in consequence of brought under my natice which has been for the lates: from Europe an interesting acof gone down rny thing like what might Lord Broughom burnt in effigue at Que his Lordship having teceived the express sometime out of public sight, but which count of the Queen's proreguing Parliament Lord Brougham burnt in effigue at Que this been expected, which circumstance the expected, which circumstance the prices will come down, and that shortly—
This of course is all matter of opinion at present.

The following copy of a letter addressed to Lord Methorne on the factious opposition of people, uttertog all kinds get amustical for the United Durham's Ordinances, will be proved by the standard of the provided of the pro evening, from Quebec, via the United meeting of the Magistrates let ly for the pur. pandence with flis Excellency Sir John Har-London, 22nd August, 1838

And the vociferations of the multitude Johnston, we learn, have proceeded to Fredthouse, and of fixing on a place for it; and
I hear it is proposed. The present of the pres al' Association have already expressed, by cartain Resolutions transmitted to Lord Gles any accident.

We are not find of those popular damontations and Sir Robert Peel, their conviction that the discussions which have been lately to be use in this country, and may again in one of the Liverpool packets. He is on raised in Parliament, in regerd to Lower Canada, will tend to destroy British power popularity. If he aimed at it in his late of the Liverpool packets, the command that the discussions which have been lately to be used in his way to Canada, will tend to destroy British power popularity. If he aimed at it in his late of the Liverpool packets, the command this way to Canada, will tend to destroy British power popularity. If he aimed at it in his late of the Liverpool packets and to the Liverpool packets. They say that Lord Brougham is food of the Liverpool packets. They all manifest the same spirit, and to the Liverpool packets are thing, the tumble-down-dick fabrick lament that any act of expediency shorld amont that any act of expediency shorld. occupied by Mrs. Sherlock and its adjoining co-mates in danger and ugliness up to Mr have been laid hold of to deprive the North Same's should be sold too, and removed 1 American Colonies of the services of Lord remember that something was said about this Durham. In an address to his Lordship by was tried last week at Amberst, and found in the priess two or three years ago; and guilty. The day of his execution has not when it was brought before the Justices, the een fixed.

The Halfax Recorder of Saturday last, two others whom he charged with selfish mo-American Colonies, and sincerely desirous ing sacrificed the life of one single individual states that the unhappy criminal wes to be lives, and the gallantry of one of their Wortoperperuate their connexion with the Pain propitiation of the violated laws of the executed on Monday between 12 and 2 ships who could not allow the widow's house to be pulled down about her ears, conspired Church of Scotland in Quebec, and which CIVIL APPOINIMENTS - Captain W. F. W., 16 keep that tottering bunch of barracks a were transmitted to Earl Durham by the Critic Appointments — Captain W. F. W. To keep that tottering build be disallowed, seing the conflicting of the innocent, and ought not be readily pasticles.—Mr. Charles M Donald to be 1'ide the town. Away with it, say I, to complete entertaining any inclination "to favour an em, and that the inhabitants, whether of the or British origin, appreciated these of the guilty.— Gazette.

The Donald to be like open space for the plying of boats to a undue assumption of supremzcy on the part market and for the reception of teams from the country. Now, Sir, the only new idea 1 would suggest is that it any jealousy exist bechave declined to agitate the claims of about the ground or stance of these buildings their Church at this peculiar juncture. just set it up to sale by fair competition and Executive Department, and in the hope that His Excelity of the country of the country of the building yard of Mr. Isaac Garcelon at Augusta, Sep. 25, 1838 of the building yard of Mr. Isaac Garcelon at Augusta, Sep. 25, 1838 of the building yard of Mr. Isaac Garcelon at New York of Cottasses and swords. Information To His Excellency Major General Sir John rent; I have no notion of telling you how, the head of Oak Bay, a fice ship of 552 tone. Augusta, Sep. 25, 1838 5. 19 pounds the better for it in that much yearly the building yard of Mr. Isaac Garcelon at HARVEY, Lieut. Governor of the Province because I might be a bidder myself, and only of New Bruns vick. were either not aware of the effects which and they kept a strict look out. The individuals who had charge of the waggon managed to make their escape by cutting well as our partners and different correspondents in the Colony, have the fullest conficulty of the waggon looks of the conficulty of the waggon looks of the Colony, have the fullest conficulty and lenity and lenity and lenity at the Freeling of the waggon looks of a single form the States, and they be states, and they conting the fullest conficulty and lenity and ask to stand on equal grounds with my com.
