MOTHERS ANXIETY
The summer months are an anxious time for mothers because they are the most dangerous months of the year for young children. Stomach and bowel troubles come quickly during the hot weather and almost before the mother realizes that there is danger the little one may be beyond aid. Baby's Own Tablets will prevent summer complaints that can occasionally be cured by the stomach and bowels free from offending matter. And the tablets will cure these troubles if they come suddenly. You may save your child's life by keeping a box of Baby's Own Tablets on hand. Sold by all medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.
