
CHECKERS

A Hard Luck Story

By HENRY M. BLOSSOM, JR.
Author of "The Documents in Evidence"

Abounds in the most racy and picturesque slang.—*N. Y. Recorder.*

"Checkers" is an interesting and entertaining chap, a distinct type, with a separate tongue and a way of saying things that is oddly humorous.—*Chicago Record.*

If I had to ride from New York to Chicago on a slow train, I should like a half-dozen books as gladsome as "Checkers," and I could laugh at the trip.—*N. Y. Commercial Advertiser.*

"Checkers" himself is as distinct a creation as Chim-mie Fadden and his racy slang expresses a livelier wit. The racing part is clever reporting and as horsey and "up-to-date" as any one could ask. The slang of the race-course is caught with skill and is vivid and picturesque, and students of the byways of language may find some new gems of colloquial speech to add to their lexicons.—*Springfield Republican.*
