THE AMERICAN JEWELLERS' ASSOCIATION calls your attention to the fact of its being the largest and most popular Jewellery Association in this city. The business is and always has been conducted in the most candid and honorable manner. Our rapidly increasing trade is a sure guarantee of the appreciation of our patrons for this method of obtaining rich, elegant and costly goods. The sudden termination of the late war has caused the failure of a large number of houses at Nassau, N. P., who were extensively engaged in running steamers through the blockaded ports, obliging them to sell their goods at a great sacrifice, in some instances less than one-fourth the cost of manufacturing. We have lately purchased very largely of these Bankrupt Goods, at such extremely low prices that we can afford to send away finer Goods, and give better chances to draw the more valuable prizes than any other establishment doing a similar business. OUR AIM IS TO PLEASE, and we respectfully solicit your patronage, as we are confident of giving the utmost satisfaction. During the past year we have forwarded a number of the most valuable prizes to all parts of the country. Those who patronize us will receive the full value of their money, as no article on our list is worth less than One Dollar, retail, and there are no blanks. Parties dealing with us may depend on having prompt returns, and the article drawn will be immediately sent to any address by return mail or express.
