**GARDENIA.****The Following are Extracts  
FROM TWO LETTERS.**"Your letter of — received, I will take  
the car of oil you offer; "Send at once two  
Bbls. Gardenia. I have never used such nice  
oil before, and as long as I can buy it  
you can count on me as a customer; you can  
also depend upon it; I prefer to patronize a  
business whose success and profit is not de-  
pendent upon other's ruin. This is not in my  
catechism."The above speak for themselves and  
should be sufficient guarantee of the supe-  
rior quality of Gardenia. During the past  
seven years I have improved the quality of  
the oil imported into the provinces at least  
fifty per cent., and being a thoroughly prac-  
tical man and following my business from A  
to Z. I will continue to improve the quality  
of the oils imported. I have held the  
confidence of my trade almost to a man, and  
I refer to them for the superior quality of my  
oils and for the treatment they receive. I  
keep in stock all kinds of Oils, American and  
Canadian, Animal, Vegetable and Mineral,  
for which I respectfully solicit orders, which  
will be filled at lowest prices consistent with  
the quality of the goods I sell.**J. D. SHATFORD,**
