

# Special Subscription Premium Offer

The remark is frequently made by readers of THE CANADIAN ENGINEER to the effect "that one new fact learned about one's occupation through a Journal like this may be worth ten times the price of the year's subscription." When your experience shall have proved the truth of this you will realize that the following is a liberal offer:

The Canadian Engineer for one year - \$1.00  
 The Engineers' Hand Book - - - - 50 cts.

**THE TWO FOR - - \$1.35.**

The Hand Book retails at 50 cents, and is good value at \$1.00.

Those who wish to take advantage of the offer should write at once, as this edition of the Hand Book is rapidly decreasing.
