The North Bruce congregation has called Rev. John Young, of Colborne.

The ladies of the Ashfield congregation have formed a W. F. M. society.

A fine new pipe organ has recently been placed in Knox church, Ottawa.

A new frame church is to be opened at McLeod station belonging to Broadview mission, N.W.T.

Rev. JOHN McALMUN, lately of Oungah, Ont., has entered upon mission work in Parkston, Dak., U.S.

The young people of the Parry Sound congregation have formed a literary and missionary society under the presidency of Rev. A. Hudson.

The annual tea meeting and concert of St. Andrew's congregation, Chatham, under the pastorate of Rev. J. R. Hattisby, M.A., took place last Thursday and was a great success.

The congregation of Colmer and Tilbury West has contributed \$29 in aid of Knox College Student's Missionary Society; Colmer giving \$15.30 and West Tilbury \$13.70.

The Rev. Dr. Waters, of Newark, N. J., has been visiting friends in Port Hope and Colborne. His numerous friends in the church will be glad to learn that he "looks remarkably well."

JOHN GILLIES, Esq., Carleton Place, has made a gift of lands valued at \$2,500 to the congregation of St. Andrew's church on which to erect a new church, in addition to his subscription of \$1,000 to the building fund.

FATAL ATTACKS.

Among the most prevalent fatal and sudden attacks of disease, are those incident to the summer and fall, such as Cholera Morbus, Bilious Colic, Diarrhea, Dysentery, etc., that often prove fatal in a few hours. A reliable remedy Dr. Fowler's Extract of Wild Strawberry, should be at hand, for use in emergency.

A MODERN MIRACLE.

In a recent letter from R. W. Dowson, of Detroit, Ont., he states that he has recovered from the worst form of Dyspepsia after suffering for fifteen years; and when a council of doctors pronounced him incurable he tried Fowler's Blood Purifier, six bottles of which restored his health.

Rev. Mr. FORBES, Presbyterian minister at Port Hastings, died at his residence on the 20th ult., in his eighty-sixth year. The reverend gentleman had charge of this congregation for the past thirty-five years, but his death was not unexpected, as he was in delicate health for several years.

Mr. THOS. TON, librarian of St. Paul's church Sabbath school, Bowmanville, was presented Monday evening, the 27th ult., with a handsome Oxford Teacher's Bible, by the teachers and officers of the school, who also congratulated him on his recent marriage. The presentation was made at the manse where a pleasant evening was spent.

On the evening of the 27th Sept., a large number of the Presbyterian congregation at Preceville assembled at the Rev. Mr. McLeod's manse and presented Mr. D. A. McLaren, student of Knox College, Toronto, who was supplying the place of Rev. Mr. McLeod during his absence to the Northwest with a handsome gold watch and an address.

His superintendent of missions recently in addressing a congregation in support of home missions said he thought it required men of tact and understanding to deal with characters such as are met with in the far west. To show the need of educated men he cited an instance one congregation that numbers thirty graduates of colleges among its members.

DR. CARSON'S CATARRH CURE is no longer an experiment. No cure is to be had unless it is sold. Money refunded if medicine not satisfactory. Ask your Druggist about it, then buy it and take no other.

Don't use any more nauseous purgatives such as Pilsa, salts, &c., when you can get Dr. Carson's STOMACH BITTERS, a medicine that moves the bowels gently, cleanses the impurities from the system, and restores the blood pure and cool. Great Spring Medicine, 50 cents.

IT IS TRUE THAT Joliffe's Furniture business has increased by rapid strides during the past year? Why? No one else can keep the stock to show customers, and his prices defy every competitor. NO WONDER that the Public flock to the Great West End Establishment. It is of course morally impossible to advertise the numerous lines of Furniture contained in their Show Rooms, but it sufficeth to say they have EVERYTHING you can possibly require to furnish FROM A CELLAR TO A GARRET.
