The next Term commences February 10. The course of Instruction is the same as that of the best Schools in Eng'and, and is founded upon the University Examinations for Women. Pupils are prepared to pass the Local Examinations of King's Collego, Windsor. Within the last two years, thirteen pupils have passed these Examinations, three of them gaining the title of 'Associate of Arts."

A few students can be received, who, having finished their general education, wish to devote themselves to Music, Languages, or Art. Arrangements are made whereby they can give the whole of their time to these special subjects.

There is a Preparatory Department for Young Pupils. The Musical Department is under the care of a lady from the Royal Academy of Music, London.
