The Medical Profession all over Canada are directed to our **ABSOLUTELY PERFECT**

STORAGE BATTERY

We are aware that in the past Storage Batteries have proved almost a fizzle, and have been to the practitioner the cause of much annoyance owing to their having to be constantly recharged. The

JONES & MOORE STORAGE BATTERY

however, is so put together that the more it is used the better the current becomes. We want every doctor in Toronto to call at our premises and see this battery, where it will be found in operation. The price is right, and we know that every physician seeing the instrument will at once purchase.
