Manager for Canada ... JOHN J. DURANCE

Every General Manager of a Canadian Bank

who has referred to the Maritime Provinces
in his annual report, writes of the satisfactory
condition of business in this part of Canada.
And this when all other parts are experienc-
ing a very considerable falling off in business
and many signs of real money stringency.
Linked up with the business and private life
of Nova Scotia and Prince Edward Island is
the Maritime Telegraph and Telephone Com-
pany. This Company's services are now
nearly as necessary to the present day active
man or woman as are the mails, newspapers
and utilities such as electric light, gas, water
and sewerage.

For this reason we offer a block of Maritime
Telegraph and Telephone Company preferred
stock with the assurance of safety of prin-
cipal, steadiness of income, and marketability
in the event of investors wishing to realize.
Price and full particulars will be given upon
request.
