QUEBEC letters-patent are issued incorporating N. L. Duplessis, M.L.A., of Three Rivers; Pierre Joseph Heroux, merchant; Dr. Fiset, Philemon DeVarennes, notary, and Mrs. Philippe Gelin, all four of Shawenegan, to build and operate a telephone line in the counties of St. Maurice, Champlain and Three Rivers. THE first car ferry for the service across Lake Erie between Port Dover and Conneaut, Ohio, was launched at Toledo last week, in the presence of 10,000 people. The boat will run all the year round. It has a capacity of 28 cars, which is more than the M.C.R. transfers carry across the Detroit River.

J. A. GRENIER, of Louiseville, Que., has assigned after a general storekeeping career of about twenty months. He started with a very limited capital, but pushed business and was selling quite a quantity of goods. Attempting too much for his capital, however, he became too widespread and unable to meet his engagements. He owes some \$11,000.—C. Martel, the Quebec city grocer whom we noted last March as having assigned, subsequently effected a settlement, but this was not apparently enough to ease him, as he again assigns.

CANADA PAPER Co.

Mercantile Summary.

"He only started last fall"; or "they only began a year ago." This, or something like it, has been said of an unusual number of traders these few months past. Here is another instance of a brief career: Joseph A. Fontaine, grocer, of Montreal, has assigned owing some \$2,100. He only started last fall, but his stand did not prove a good one, and having but little means of his own, he could not withstand the dull trade. He does not seem, however, to have been cut out for a business man, for he was unsuccessful a few years ago in the crockery trade, and went back to clerking in a grocery, until he started in present line of trade.

A GENERAL storekeeper on a small scale, who has been doing business in the concessions about three miles from Beauport, Que., David Grenier by name, has assigned with liabilities of about \$1,600. He started about nine years ago with a limited capital, but being in a poor locality slowly ate up what means he had; was asked to assign last spring, but refused to do so; he had, however, finally to come to terms with creditors. There is another David Grenier at Beauport village, who runs a grocery, and he should not be confounded with the other, as the grocer is looked upon as all right.
