

ney, was quite an important part of the meeting.

Professor: If John Knox were alive to-day he would be considered insane.

G. W. C.: Mary Queen of Scots thought he was insane, but we all know who Mary Queen of Scots was.

Mr. Anger's lecture on Hymnology was well attended and greatly enjoyed. We are glad to see the interest that is being displayed with regard to this new departure.

G. W. C.: Did I understand you to say, Dr., that our Legislative Assembly had forbidden the marriage of a widow with a deceased brother?

Knox football team played a very pleasant game of football with Pharmacy last week, resulting in a tie. Knox had decidedly the best of the game, the score at half-time being 2-0 in favor of Knox. It was a quick, clean, well-played contest throughout.

On Friday evening some of our students, under the able generalship of Mr. George Hackney, B.A., proceeded in procession to the meeting in Association Hall to participate in the Liberal demonstration there.

One evening last week a couple of beautiful little butterflies, attired in Highland costume, visited our college halls. Under the inspiring influence of Mr. Richardson's bagpipes, the little ladies delighted the hearts of the boys. We hope to see them again.

Mr. Robinson, who was in the hospital last week, has partly recovered and has gone to his home for a few days.

Several of our theologs are taking an enthusiastic and practical interest in the present political campaign. Quite a deputation, headed by Mr. W. M. McKay, B.A., appeared on the boards at Association Hall on Friday evening, in the interests of the Reform candidates of the city.
