Ex-gratia Payments

Claims against trainees arising out of acts or omissions in Canada not done in the performance of official duty may be dealt with in the following manner:

- (a) Canadian authorities may investigate the incident giving rise to the claim and prepare a report on the case including an estimate of the amount of money which the Canadian authorities consider would represent reasonable compensation for the death, injury or property damage or loss suffered by the claimant.
- (b) The report may be delivered to Ugandan authorities who, upon receipt, shall decide without delay whether to offer an ex-gratia payment, and, if so, of what amount.
- (c) Any offer of an ex-gratia payment or payment itself by the Ugandan authorities may be sent to the claimant directly or through the Deputy Minister of the Department of National Defence.
- (d) Nothing in this paragraph affects the jurisdiction of courts in Canada to entertain an action against a trainee unless and until there has been payment in full satisfaction of the claim.
- (e) Where the claim has been adjudicated by a court in Canada or Uganda and a judgement rendered in favour of the claimant, the Ugandan authorities will consider whether to make an ex-gratia payment to satisfy the judgement, or to take such other steps as they may within the bounds of Ugandan domestic legislation to seek compliance with the judgement.
