

3. How many homes were converted in Canada under this plan to December 1, 1945?

4. How many in the area of Hamilton, Ontario, and at what street addresses?

5. What has been the cost of conversion of such houses in the Hamilton area?

6. How many inspectors, janitors and other persons are or have been employed in connection with the operation of this plan in the Hamilton area?

7. Who are they, and what amount is being or has been paid to each of them in salary and expenses?

Mr. ILSLEY:

1 and 2. The Home Conversion Plan is still in effect but few conversions are taking place because of the lack of availability of large houses suitable for conversion.

3. Conversions completed as at December 1, 1945, were 246, providing 1964 housing units. Houses in the process of being converted on that date were 14, providing 144 housing units.
