STEPSON OF LORD STRATHCONA TO RECEIVE LIBERAL BEQUEST

Income From \$125,000 and Real Estate in Pictou, N.S., Given James Smith of Brookline, Mass.—Bequest to Yale Recognition of Benefits From U.S. Investments.

NEW YORK, Feb. 4.—(Can. Press.) James H. Smith of Brookline, Mass., who announced a few days ago that he intended to put in no claim for any part of the estate of his stepfather, the late Lord Strathcona, benefits by the will. The income of \$125,000 is placed in trust for him, and he receives outright real estate in Pictou, N.S.

It was disclosed when the text of the will was made known today by the late peer's attorneys in this city. Smith was the son of Lady Strathcona, a former husband of the late Lord Strathcona.

In regard to his bequest of \$500,000 to Yale University, Lord Strathcona expressed the opinion that it was an expression of his appreciation of the benefits he gained from investments in the United States, particularly from the St. Paul, Minneapolis and Manitoba and Great Northern Railways. The will directs that the money be used for "the promotion of the modern sciences and for instructing in the practical questions of the application of scientific knowledge to the industrial, social and economical problems of the times. It being intended that the said sum expended so far as in the opinion of my trustees may be deemed advisable for the instruction in civil and mechanical engineering, with special reference to the construction, equipment and operations of passenger

CUT IN OCEAN RATES TO AID IMMIGRATION

MONTREAL, Feb. 4.—(Can. Press.)

The shipping rate war, in the opinion of local agents, is likely to lead to a large increase in the immigration of Europeans of the laboring class, providing ample material for railway and other construction work. This may result in lower wages being paid to laborers in Canada. Further reductions in third-class steamship passages are anticipated.

PARKDALE MEN'S ASSOCIATION.

James L. Hughes will address an open meeting of the Men's Association of Parkdale Baptist Church this evening. His subject will be "Women's Suffrage." Thomas McGillicuddy will deliver a lecture on "Public Speaking and How to Acquire the Art."

INCREASE GRANTS TO FAIRS

Standard Bred Horse Society Votes Thousand Dollars to Twenty Exhibitions.

At the annual meeting of the standard-bred Horse Society in the Prince George Hotel, \$1000 was voted in grants to twenty exhibitions for the encouragement of the breeding of standard-breds. Last year grants totaling \$400 were voted to eight exhibitors on stipulation that they be given for brood mares with foal by their side, and that all entries of standard-bred classes be registered at Ottawa, and complaint was made that most of the exhibitors that received these grants did not comply with the conditions, so it was decided to withhold in future all aid from firms which do not fulfill the terms of the donation. The following were elected officers: Honorary president, O. B. Sheppard, Toronto; president, J. Wesley Allison, Morrisburg; first vice-president, W. J. Cowan, Canby; secretary-treasurer, J. W. Brant, Ottawa; directors, G. S. McCall, St. Thomas; R. J. Speers, Wilkie, Sask.; W. S. Spears, Brandon, Man.; J. M. Baldwin, Killarney, Man.; C. W. MacLean, Brockville, Ont.; Hon. Clifford Sifton, Ottawa; S. A. Proctor, Toronto; Alex. McLaren, Buckingham, Que.; Dr. W. E. Baker, Hamilton; H. Ashley, Foxboro; Hon. John Richards, Siderford, P.E.I.; Ald. S. McBride, Toronto; auditor, G. L. Blatch, Ottawa; representative to Canadian National Exhibition, Toronto, O. B. Sheppard.

DIED WHILE DRIVING.

KINGSTON, Feb. 4.—(Special.)—While driving near his home, Elijah Burke, aged 50, was stricken with heart failure and died. He was taking a neighbor, Mrs. Trickey, to her home. Mrs. Trickey noticed his eyes closed and that the lines were almost out of his hands. She then discovered he was dead. For half a mile or more the horse had jogged along without a driver.

M'CONKEY AGAIN IN POLICE COURT

Charge of Allowing Riotous Conduct Was Adjudged a Week.

PROMINENT WITNESSES

Twenty Society People Will Be Called to Give Evidence.

Close on the heels of the announcement a short time ago that the provincial license department was about to make an investigation of certain activities in connection with the McConkey Restaurant on New Year's Eve, appeared the summoning of E. G. McConkey before the police court yesterday. The summons, which issued by Assistant Deputy Chief Archibald, charged the allowing of riotous and disorderly conduct in a licensed tavern. A week's remand in the case was granted.

Seventy-two subpoenas were served yesterday on some well-known Toronto people who were in the place on the evening in question. Until they appear at the hearing their identity will not be divulged by the officers. The case was worked up by Inspector Dickson, and not that the morality department, which usually serves.

Contrary to general opinion, it is not likely that the action will be brought under the clauses of the Liquor License Act referring to sale or disposal of liquor out of hours. Under this clause Mr. McConkey was fined

\$40 and costs some time ago, and before any further action was suggested. There is a section in the act which provides that a police magistrate may institute proceedings against "riotous or disorderly conduct in a licensed tavern," and the penalty following conviction annuls the license at once. In case of annulment the license is canceled for two years. The alternative conviction provides a suspension of 60 days.

The fact that all liquor licenses are issued on May 1 would make a suspension of 60 days actually a cancellation of the license until the end of the year if the court action were prolonged. A new application in the regular way would then be in order and the decision would rest with the government.

HEREFORD BREEDERS.

A meeting of the Hereford Breeders' Association was held in the Prince George Hotel, yesterday afternoon, when business in connection with the association was transacted. The following officers were elected: President, F. D. Smith of Hamilton; vice-president, L. O. Clifford of Oshawa.

ACCIDENTAL DEATH.

A verdict of accidental death was returned last night by Coroner Crawford's jury, which enquired into the death of James Huall, who was struck by a switch engine at the foot of Bathurst street on Jan. 30, and so severely injured that death resulted. It was shown that the man had no right to be on the track and that the engineer could not prevent the accident.

MANY MESSAGES COME TO TORONTO WIRELESS

System is Now in Operation—Breaks Thru Wire Trouble Oblivious.

The Toronto station of the Marconi Wireless Telegraph Company of Canada is now in operation, and many messages have been sent thru the air between here and Midland and Port Burwell. Thus far no messages have been sent to Montreal.

The advantage of the wireless system over the wire system will be that there will be no delay in the transmission of messages on account of wire trouble, and even the heaviest storms do not affect the air currents. The wireless will also prove of great assistance on account of the protection that it will give to those vessels on the lakes which are properly equipped with the Marconi apparatus.

CAUGHT IN THE ACT OF ROBBING DRUNKEN MEN.

William McCauley and Victor Brock Were Going Thru Victim's Pockets.

Caught by officer 277 attempting to rob John Maclean, 11 Wallace avenue, in a lane off Portland street, William McCauley, 57 Robinson street, and Victor Brock, 67 1-2 Bellevue avenue, were arrested and held on the nominal charge of vagrancy. According to the officer, McCauley was very drunk, and the men were going thru his pockets.

ENGINE BACKFIRED.

Fire caused by the backfiring of an engine in a motor truck caused two 'thousand dollars' damage to the frame building of the Cosgrave Brewery on Niagara street at 9 o'clock yesterday morning.

NATIONAL FORESTRY CONGRESS IN VIEW

Premier's Suggestion Cordially Received by Delegates to Ottawa Convention.

OTTAWA, Feb. 4.—(Can. Press.)—A national forestry congress, similar to the one called by Sir Wilfrid Laurier in 1906, will be held in Ottawa next January. This was decided on the suggestion of Premier Borden by the delegates to the sixteenth annual meeting of the Canadian Forestry Association, which concluded its sessions this afternoon.

The lieutenant-governors of all the provinces, members of parliament and the senate, prominent lumbermen, and in fact everybody who is prominently identified and in sympathy with forestry will be invited by the premier to attend the congress at which matters pertaining to the conservation of forestry will be discussed.

Prior to deciding on holding the convention the delegates waited on Right Hon. Mr. Borden and Hon. Dr. Roche, minister of the interior, and submitted resolutions covering such matters as the extension of forest areas, more care in deciding what lands shall be opened for settlement, free distribution of young trees and that appointments in the forestry service be based on capability and experience.

Those who attended the premier and Dr. Roche promised to give immediate consideration, and Mr. Borden suggested holding a national forestry congress. Officers of the association for the ensuing year are: President, Wm. Powen, M.P., Quebec; vice-president, F. C. Whitman, Annapolis Royal, N.S.; secretary, James Lawler, Ottawa.
