**IS HON. JIM'S ADVICE****Farmers are Exhorted to Sow Pasture Land With Food-Producing Crops.**

The provincial government is making a special appeal to Ontario farmers to enter upon the fall sowing season with the needs of the Dominion first in mind. In consideration of the fact that the predominant demand of the empire while engaged in the present international conflict is for food in abundance, Hon. James Duff is calling upon the Ontario farmer to place greater areas of land than ever before under crops that may be utilized as foodstuffs. The growing of wheat is especially urged, also of other cereals and standard vegetables. In view of the temptation now facing the farmers to sell their cattle across the border at fancy prices, they are exhorted to pay serious attention to conserving their live stock.

Mr. Duff said: "I recognize that the amount that can be sown this fall must be somewhat limited by the plans which have been made during the summer. At the same time I think special plans should be made to increase the acreage of the crops to be put in, in the spring as well. There will undoubtedly be need for foodstuffs along many lines in addition to wheat, such as potatoes, beans, oats, dairy products, live stock and poultry. I would like to point out that during the past season there were over 3,000,000 acres of land devoted to pasture. Now that there is every prospect of a good supply of labor, I think a great deal of this land could with advantage be broken up and put into crop."

Yesterday afternoon the first meeting for the season of the local Council of Women took place in the studio of the Margaret Eaton School. Mrs. S. Huestis, who since the close of last season had been in Europe as a delegate to the International Council.

An interesting account of the work of conducting the group of small apartment houses lately erected by the Toronto Housing Company for business girls and women was given by Mrs. Gurnett. These houses, the council has promised to engineer for the next five years and there are still some vacancies. Applications may be made to Mrs. Gurnett at the building, corner Shuter and Yonge streets, where Mrs. Irvine will be held between 11 a.m. and 2 p.m. Accommodation may be had at from \$3.25 to \$13 a month.

Two suggestions came from the Beaches Progressive Club. The first was that the meeting endorse a request to the National Council for an annual day upon which the various councils should bring their work before the public in the form of literary exhibits and entertainments and sales at which specimens of educational and philanthropic paraphernalia should be sold. The second suggestion, that of black-listing employers known to have been guilty of any breach of moral propriety in regard to their women employees, was referred to the committee of which Dr. Margaret Patterson is convener. Miss Constance Boulton will be asked to prepare an account of the municipal work of the council for the purpose of publication.

Meeting Will Discuss Means to Raise Big Sum for Help.

By Staff Reporter.

HAMILTON, Sept. 3.—Twenty thousand dollars was voted by the board of control this morning as a contribution to the Canadian Patriotic fund. The city council will be asked to endorse this amount, along with the \$5000 voted on Tuesday for temporary relief purposes at a special meeting this evening at 7.30.

Following the council meeting a conference will be held in the mayor's office to determine the scope of the relief work to be done among the unemployed this winter. It is expected that the city will make a grant of \$25,000 or more for this purpose, and it is anticipated that over \$100,000 will be spent in caring for those out of work.

A mass meeting of the patriotic fund committee will be held in the board of trade rooms on Friday evening to complete arrangements for a big rally next Tuesday evening. All who are interested in the work are invited to be present. Arrangements will be made to launch a whirlwind campaign to raise funds.

To Concentrate Relief Work.

Mayor Allan has called a special meeting of the representatives of all the charitable societies Friday evening for the purpose of discussing the uniting of all the organizations into a central body so as to have a central relief fund. He fears that there will be an attack on Canada by these men.
