## Wm. Knabe & Co. PIANOFORTES.

The Judges at the Centennial Exhibition pronounced the KNAME PIANOS to be the best exponents of the Art of Piano Making, and fully entitled to the leading position, combining all the requisites of a perfect Instrument in the highest degree; power, richness and singing quality of tone, case and elasticity of tone, dilectiveress of action, solidity and originality of construction and excellence of workmanship. The Knabe Award is not contined to any single style of instrument, but comprises ALL FOUR STY LES and stands unqualified by pheases indicative of mediocrity. Nor were the Judges content to recognize only a few good qualities, for they we pecially commend ALL THE ELEALENTS OF MERIT which is possible for the best Pinnoforte to possess. Morest, Lanforce & Co., have reduced their prices on these excellent instruments to suit the times.

Call and try them and you will buy no other.
