BASKETBALL. The most important intermediate O. B. A. basketball game of the season will be played on Wednesday night at the Royal Templars' Building, Queen and Dovercourt, between Barocas and Dovercourt. At present, Barocas are leading, with the Playgrounds boys close on their heels. This game will decide the leadership of the league, and virtually the championship. Both teams have been practicing sedulously, and a fast game is sure to result. The city boys, the light, are fast, and are the best ball-handlers in the league, while the Barocas excel in combination and have the greatest experience of any team in the league. Two good preliminaries will precede the big game.
