THREE FAVORITES WON ON O. J. C. OPENING DAY AT WOODBINE PARK

Kewessa and King Cash Were the Long Shots to Land — Three Favorites, Including Lady Curzon, Finished Outside the Money.

It's a long time from Don Juan's Plate to Tartarum's and in those 56 races there practically was never one fought with more genuine excitement than Saturday. Only on an odd occasion has the favorite choice could do no better than fourth.

The opening was favored with ideal weather, the rain threatened towards the close. There were 9000 in the public enclosure, and half that number in the members' stands, making a grand total for the day of 13,500.

Only three favorites won, Kewessa, Tactics and Hearts of Oak. Kewessa and King Cash were long shots, Rich- mond and Spruce Maid were runner up second choice, of the beaten favorites Back Bay finished second, and Promoter, Lady Curzon and York Lad outside the money.

First for Kewessa. Billy Oliver's good sprinter, Kewessa, who won several races at the recent Maryland meetings, captured the opening event in a driving finish from the well-played Back Bay. Spring Maid, coupled with Knights Dice, as the Davis winner had quite a bit of play. Spring Maid was first away from the barrier and cut out a last pace, closely followed by Back Bay. When they reached the half, Back Bay drew up on equal terms with the Thornhill sprinter, and Spruce Maid quit. Back Bay went into a three lengths lead, which he held until well up the stretch, where Kewessa, who was wing in third position all the way, came thru, and after a short drive finished three-quarters of a length in front of Back Bay. Water Lady lost several lengths at the start, and had the go of the decision would probably have been different.

Doncaster to Gretings. Lewis Gerch's five-year-old, Gretings, captured the Doncaster Plate in a driving finish from Cincinnati. Cincinnati out-drove his field and was back to back lengths. When they straightened out in the home stretch, Schuttler sat down on Gretings, and after a long grueling stretch drive landed Gretings some nose in front of Cincinnati. Billy Simons, who was making his first start, under colors along with Larkin and Billy Oliver, was third all the way. The latter two were very green.

Tactics in Front. F. J. Coleman's Tactics won the Minto stakes by a head in a driving finish from Luther. Tactics, who captured this stake last year, was coupled with Progressive, and they were made favorite in the betting. Luther led by two lengths till near the wire, where Tactics, who came with a rush, caught him and beat him a head. Tactics was second, and a length in front of Progressive. Progressive, who was an easy winner, and Clint raced well but third.

King Cash Over New Course. King Cash captured the Aintree Steeplechase from a field of five. The race was run over the new course and proved to be very spectacular. Dorothy Webb and Tom Horn took turns in setting the early pace, closely followed by Promoter. Dorothy Webb stopped very badly after one turn of the field. Tom Horn fenced well and had he not been going to the water jump would probably have won. Jockey kept going. Cash off the early pace till the last three furlongs, where he closed up and beat Tom Horn a length and a half. Promoter and Spruce Maid nosed the tiring Promoter out for third place.

Nothing But Millar. The Millar entry, Tartarum and Fair Plate. There was considerable crowd at the start, which both the Stanhope II. colts luckily missed. Heart of Oak was crowded against the rail soon after the break and was just going to get away by Lady Curzon. Fair Plate made the pace, followed by Last Sprack. When they swung into the home stretch Fair Plate had a two-length lead on his stable mate, Tartarum, who was dropping back and Shilling went to drive Tartarum. Fair Plate and Montague about one hundred yards from the wire and beat him a neck. Fair Plate was second, four lengths in front of Pepper Sauce, who was five lengths ahead of Lady Curzon.

Fair Plate and Tartarum were purchased as yearlings by Mr. Millar from Mrs. L. A. Livingston. They were several province bred at her Coburg farm, and were prepared by John Nixon, who saddled Hersey when he won the plate in 1911 for the Dyment stable.

Tartarum was ridden by Jockey Harry Wets, who rode well over the half-mile tracks last year.

Hearts of Oak. Hearts of Oak, with 122 lbs. up, captured the William Mulock Cup from Joe E. Seagram's Racing. Rustler lead for a mile, where he began to tire. Hearts of Oak finished stoutly and won going away by a length and a half. Amphion was an easy third.

Last to Richmond. Jas. Robinson's Richmond captured the last event of the day from a field of fourteen selling plates. Dick's Pet made a lot of ground entering the stretch, and Dick's Pet was head by Richmond, who only beat him a neck. Richmond was only beaten by a neck. Richmond was only beaten by a neck.

WOODBINE GOSSIP

Mrs. Lily A. Livingston, the breeder of Fair Montague and Tartarum, was an absentee Saturday. It is not generally known that the former fair owner had an ambition to win the King's Plate at the Woodbine, and three weeks ago the O.J.C. "board" was divided twice as to whether a candidate owned by one not a British subject, but otherwise qualified, should be accepted as an entry. However, there was a British majority, and Mrs. Livingston, who had a farm at Cobourg and is a United States citizen, was barred. Thus Mr. Millar acquired most of her stable, including the pair that returned him to the top place on the Canadian turf and made the wealthy lawyer a horse racing celebrity.

Charlie Millar kept together in the background on Saturday at Woodbine Park. Some of his friends say he watched the race standing on the top of Tartarum's stable, while the automobile enclosure. Many of his friends led the winner into the paddock, but the modest lawyer was noted by his absence. Also the partners, Messrs. Hunter & Ferguson, were busy elsewhere. However, Harry Ferguson did the honors acceptably.

Horseshoe record every credit to John Nixon, the trainer of the winner, the veteran has had wonderful success on the Canadian turf, and this time had exceeded his annual material to work upon. He had shown by the splendid time, considering the conditions, Tartarum's 2:09 1/2 was a better performance than that of St. Bass in 1911, when he won in 2:08 4/5.

Dan Murray of the silvery-voice was a visitor after an absence of many years. He is one of the best-posted turfmen of the continent with the keenest of observation. And you have to take it from fact to all parties. Any money that got into at home, and the club's percentage is something that the speculators should be pleased to note the O.J.C.'s splendid general.

Edmund Haines, the well-known horse-buyer, was a visitor, having just returned this week from England, where racing is taking a back seat this year, but where the people are supremely confident of the struggle they are engaged in. Mr. Haines came on the Abyssinia to Montreal, thru the Louisiana, wreckage when he saw many sad sights in the shape of floating bodies of men, women and children. He had little fear of submarines, that on this occasion did not appear.

A feature reappeared Saturday at Woodbine after several years' absence, via the telegraph operators. The instruments were right in the stand for the convenience of the newspapers, but no information was allowed direct to the pressrooms. If there is such a menace to be found these times anywhere on the continent. The O.J.C. placed an official in charge to censorize suspicious messages, but it is not on record that he had any work to do during the exciting afternoon.

KING'S PLATE

HARVARD VARSITY DEFEAT CORNELL

First Defeat in Ithaca Waters — A. R. A. Regatta Results.

NEW YORK, May 23.—Cornell no longer reigns supreme on Lake Cayuga. At Ithaca yesterday, Harvard's varsity eight edged over the finish line a half-length ahead of Courtney's men, and by so doing administered the first defeat a Cornell varsity crew has ever suffered on its home waters. In addition, it is the first time in seven years that a Cornell crew has suffered defeat at the hands of a Cambridge eight. Harvard's time for the two-mile course was 10:42.3. No time was taken on the second crew. The Cornell freshmen defeated the Harvard youngsters with a half-length of open water. The time was 10:52. This race was the more exciting as Harvard was leading at the half-mile by a boat length, but Cornell spurred and led by nearly a half-length at the mile.

At Philadelphia yesterday, the University of Pennsylvania's eight-oared shell crew won two of the feature races of the annual regatta of the American Rowing Association on the Schuylkill River here. A heavy rain fell most of the time. The Pennsylvanians beat the Union Boat Club of Boston one and a half lengths, Union crossing the line three feet ahead of the Harvard University sophomore crew, the Crimson interclass champions, in the first eight-oared shell race.

An hour later the same Pennsylvania crew won from Harvard and Princeton in the junior collegiate eight race, covering the Philadelphia mile 550 yards—in the same time in each race—4:12.5. John B. Kelly of the Vesper Boat Club, Boston, won from James B. Ayer of the Union Boat Club, Boston, in the first single sculls, by a half-dozen lengths. Boston established a new record for the course—1:52.2-5. He was favored by a strong current and wind.

Leafs Take Doubleheader From Providence Grays — Two With Newark Today

Our fine ball team won two games all in a cluster on Saturday from the strong Providence Grays at the Island, raising the total to 6, or an advance of 21.3 per cent in a single day. And there may be similar joy in store for the fans at Newark play morning and afternoon today with the fast-going Clymers. There was a good crowd in attendance on Saturday. Herbert was in great form the first session, keeping the hits well scattered while our sluggers attended to Messrs. Schultz and Bentley. The second was somewhat different, the Leafs just lasting to win by one run. Our boys took a lead in the 8th on two walks, two sacrifice hits, Wilson's single and Laque's double. The Grays filled the bases on run was forced in, but the third hand struck out. The scores:

Saturday Scores Of T. & D. Games

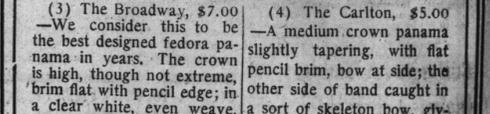

The T. & D. games today resulted as follows: Division I.—Manchester U., 0-1 Sunderland, 0-1 Barrow, 0-2 8-3 Old Country, 0-0 Queen's Park, 0-3 Thelwell, 4-0 Devonport, 0-1 Wychwood, 1-1 Devonians, 0-1 Celticians, 0-1 Overseas, 0-3

(1) The Astor, \$5.00—This is a young man's hat with a medium high crown, slightly inclined to taper and with ridge. A flat pencil brim completes one of the smartest designs we have had for years.

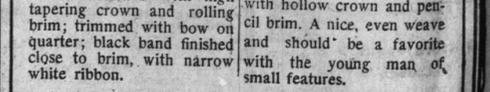

(2) The Curzon, \$8.00—A hat, of fine even weave for the middle-aged or elderly man; full dimension, with nicely rolling brim which can, if desired, be dipped in front.

(3) The Broadway, \$7.00—We consider this to be the best designed fedora panama in years. The crown is high, though not extreme, brim flat with pencil edge; in a clear white, even weave, trimmed with pugaree band.

(4) The Carlton, \$5.00—A medium crown panama slightly tapering, with flat pencil brim, bow at side; the other side of band caught in a sort of skeleton bow, giving a very smart effect.

(5) The Comet, \$9.00—A very fine quality panama of even weave with high tapering crown and rolling brim; trimmed with bow on quarter; black band finished close to brim, with narrow white ribbon.

(6) The Bertie, \$5.00—A fairly low crown panama with hollow crown and pencil brim. A nice, even weave and should be a favorite with the young man of small features. —Main Floor, James St.
