The Mineral Act, 1896, chap. 34, as amended by 1897, chap. 29, has been consolidated for convenience only.

The Placer-mining Acts have been also consolidated.

A Bureau of Mines was established in 1895, under the Minister of Mines, with a Provincial Mineralogist, whose duty it is to collect information relating to the mining industry and publish it. Besides a museum, there are to be lecture rooms, an assay office and laboratory, where assays and tests may be made according to a schedule of fees. Arrangements may be made for giving instructions to prospectors and others, and societies of arts and other societies may affiliate with the Mining Bureau for the instruction and examination of students.

An Act intituled the "Inspection of Metaliferous Mines Act, 1897," amended in 1899, provides for the appointment of an Inspector, and contains rules and regulations for the safe working of mines other than coal.

DOMINION.

COAL.

The Dominion Government have provided regulations for the disposal of coal lands the property of the Dominion in Manitoba and the North-west Territories. These regulations provide that locations of an area not exceeding 320 acres, may be reserved for an applicant for a period of sixty days to prospect for coal, on payment of a fee of \$10 and an expenditure in prospecting of \$2 a day. A location may be sold at the rate of \$10 per acre (cash) unless the coal is anthracite, in which case the price is \$20 per acre.
