TORONTO

### MASTER OF SCREENCRAFT PRESENTS GREAT PICTURE

A D. W. Griffith film production is always assured of a tremendous re-ception from the Toronto public, and the latest offering of the master of screencraft, "The Greatest Thing in Life," has proven no exception. Large crowds were the rule at every per-formance of this tremendous production at the Allen last week, and on account of the thousands who were unable to see the picture, the management acceded to popular demand and extended the run another week. The story of "The Greatest Thing in Life" has to deal with the adventures of a young aristocratic snob, and a petite French maiden. meet in New York, and immediately fall in love. But he calls her a "com-mon thing," and when her father returns to France, she accompanies They next meet when the allies drive the Huns out of a French village. The girl finds that the war has changed the young 'man's conception of life, and he finds the great-est thing in life in the love of his
