MORE HUNGRY MEN IN MANITOBA ARE DEMANDING WORK OR FOOD

Winnipeg, Aug. 17.—(Special)—A demonstration occurred at the City Hall and C. P. R. depot, when crowds of hungry men gathered around and demanded "bread or work." They were harvesters lately arrived from the east, many of whom had been out along the main line of the C. P. R. Several returned, having found the labor market filled to overflowing. They had come west expecting big pay and light work on a blinder or such like, and now found themselves in a strange country, with neither bread, money or employment. The situation certainly was urgent and unpleasant, which features were fully impressed on the city relief officials and city clerks.
