ATHLETIC MEET IN WEST TORONTO WILL BE FINE

Great Interest Locally Shown—Interesting Budget of News From York County.

WEST TORONTO, May 14.—The paving operations on West Dundas-street are drawing to a close. Works Superintendent Matthews stated this afternoon that all the scoria blocks would be in position in less than a week, and that traffic would be resumed along Dundas-street in about two weeks at most.

West Toronto has reason to be proud of her men's shoveling. Standing at Union-street and looking west, there is a straight view along the street for a distance of a mile or more and the western view limit at present reaches into the country, there is every probability that in a few years it will be the centre of a thickly populated district.

Police Get Busy.
The police have commenced the work of inspecting the lanes. Relieved of this, Sanitary Inspector Ward says he will be able to devote more time to the work of distributing the tax and water bills and the inspection of houses in which there are cases of contagious disease.

The funeral of Rev. W. E. Cooper, rector of St. Martin's-on-the-Field Episcopal Church, took place this afternoon from his late residence, to St. James' Cemetery. About 65 Church of England clergymen attended. There were six active pall-bearers and six honorary, and the floral tributes were numerous and beautiful.

Apparently the tug-of-war contest at the sports on Saturday will not come off. No move as yet has been made to procure a team to meet the West End Recreation Club, although the contest is open to the entire City of West Toronto.

Longboat Will Run.
Tom Flanagan has wired Longboat's entry in the West Toronto ten-mile race to take place on Saturday afternoon at the big athletic meet at the new lacrosse grounds on Utter-street. All arrangements are now completed, and the weather is all that is necessary on that date to make the event a great success.

Building permits have been issued to John Money to erect a two-story detached solid brick house at 109 Cooper-avenue, costing \$2,500. Thomas J. Cash, shaw, two-story and attic solid brick detached dwelling house at 84 Medland-street, \$3,000; A. Watts, a pair of semi-detached houses on St. Clair-avenue, costing \$3,500 for the pair.

The West End Recreation Club meet on Saturday promises to be one of the similar meet held in Ontario in many years. Positively every Canadian champion is being entered, including Longboat, Adams, Tait, Skidmore, Golding, Archibald, Lawson, Cummings and over 125 others, all good men. An excellent day's sport is assured and an added feature will be a three-dance between two well-known men, Breen and Wagner, of the West End Y. M. C. A.

The club announces these officers: Starter, Rev. J. B. Morrow; announcer, Mr. Scott; timers, Messrs. Lyle, Grant, Jewell and Smith. The scorers will be Messrs. Brydon, Banker and Adams. The judges are Messrs. Murton, Murdoch, McDonald, Tim O'Rourke, Buchanan and Thorpe.

Judge of walk, Dr. Laker; judge of course, Mr. McClelland; referee, Mr. Crowe. Ward 5 Conservatives will meet at Dr. Godfrey's committee rooms, 117 West Dundas-street, to-morrow (Friday) evening at 7.30 sharp. A good big attendance is asked for.

SUBURBANITES AIR VIEWS.

Representative Men in the Several Suburbs Are Not Agreed.

The statement made by J. R. L. Starr, solicitor for the annexationists in Deer Park, Wychwood, Bracondale and Earlscourt, to the effect that the petitioners were insufficiently signed, has called forth varied opinions by those actively engaged either for or against the movement. In Deer Park, Ben. Sinclair said: "We cannot get annexed as a whole. Deer Park will take up the battle again, and the city should not have coupled Deer Park's petition with the other districts. The district south of Davenport-road should have been favorably considered."

Duncan Murray, a local merchant, said: "The only thing left now for Deer Park is to get up another petition, apart from the other districts, and if the commissioners go over the ground, as they promised, Deer Park will get by sure of becoming annexed to Toronto."

In Wychwood, J. Coey maintained that Deer Park's petition was insufficiently signed and worked against Wychwood and Bracondale. Harry Bremley, the leading spirit in the annexation movement, is awaiting the final decision of the municipal board to-day, when he will circulate a new petition distinct from Deer Park. In Bracondale John Edwards was thoroughly satisfied with the turn matters have taken and declared that the petition was by no means honestly and squarely secured.

W. H. Edwards of Bracondale was delighted that annexation had been successfully prevented. "While I concede that the part south of Davenport-road should have been annexed for sanitary reasons, the district on the hill can do for itself for the next ten years."

ted the failure of the annexation movement, which later would have helped in the improvement of the roads. John Wanless, Jr., of Davenport-road favored the annexation of that district, as tending to benefit the small property owners in general. Sanitary, police and fire conditions would so improve as to render the slight increase in the taxes a secondary matter.

RICHMOND HILL.

Tunker Brethren to Hold Conference at Gormley.

RICHMOND HILL, May 14.—A number of the leaguers of this place attended the annual rally in Toronto on Monday.

The official visit of R. W. Bro. Cavell, D.D.G.M., of Toronto West District, to Richmond Lodge, A. F. and A. M., took place on Monday evening. A hearty welcome was given to the distinguished visitor and friends from Toronto.

Considering the unfavorable weather, a goodly number were out last night to hear the Liberal candidate, J. W. Curry, K.C., in the Masonic Hall. The chair was taken by Mr. T. Trench. A number of ladies were present.

On Friday evening the young people of Maple are giving a mock trial in the Methodist Church, to emphasize activity in league work.

Fred Woodward of Toronto was in town on Monday, making arrangements for fitting up a blacksmith shop at the Dign, which he has leased, and will open on June 1.

A great night was held on Tuesday in Masonic circles, at Vaughan Lodge, where the ladies of the district deputy grand master, R. W. Bro. W. H. Shaw. A number from other points also enjoyed the royal hospitality.

The ladies of the Methodist Church meet this evening to complete arrangements for serving hot dinner and supper on fair day, May 25.

A movement is on foot to have the Metropolitan Railway tracks run from the side to the centre of Yonge-street.

Great interest is being taken by the Tunker Brethren in preparation for their general conference, which meets at Gormley next week.

The officers of the agricultural society are to be commended for the energy they are showing in assuring the public ample stable accommodation for fair day, May 25.

MUCH OF THE SEED UNSOWN AND FARMERS GROW ANXIOUS.

Through the length and breadth of York County the feeling at the present time is, among the farming community at least, not one of extreme optimism. The almost unprecedented lateness of the season, coupled in many parts with the great scarcity of fodder, is giving ground for serious misgivings. Thru the Townships of Scarborough, Markham and York considerable grain yet remains to be sown and the heavy rains of last night will still further greatly delay seeding operations. Not in a score of years has vegetation of all kinds been so backward, and the heavy rain of last night is felt with respect to the final outcome, the immediate outlook is not generally regarded as reassuring.

The heavy rains within the past fortnight have on the high lands caused heavy washouts, while the lower fields, where under-drainage was not so complete, were flooded and in many cases were, when practicable, will be re-sown.

In wheat, the very rank, has for the most part come thru the winter well, as have the spring seeds, and these only require fine warm weather to ensure a rapid growth.

But it is the comparative scarcity of grass which is causing the greatest concern. The grain crop of last year was in the yield of both grain and straw notably small, and it was only by most rigid economy in feeding that the average farmer managed to get through. It was enabled to make ends meet. That no real serious hardships have so far been brought to light speaks volumes for the thrift of the farming community. Up thru the higher lands of Whitchurch, King, Georgina and Gwillimbury Townships seedling is rather more advanced, but the vegetation there as here is backward in the extreme.

Practically no vegetables, as man-golds or potatoes, have yet been planted, and already the season for these is fully a fortnight behind that of last year.

WOODBIDGE.

WOODBIDGE, May 14.—Notwithstanding the wet morning and muddy roads the farmers from far and near turned out to our first market day. Thursday, May 14. This weekly market is now fully established and ranks with the largest farmers' weekly markets in Ontario. A little drawback was the non-attendance of some of the buyers who promised to come from Toronto, but this was remedied by our local merchants. Messrs. Wallace Bros. and Isaac Kaiser purchased all the butter, eggs and other produce offered, while Ross Mackenzie, our enterprising young wholesale butcher, purchased all the dressed hogs. The farmers in at-

UNIONVILLE.

A meeting of the Conservative Association of the Township of Markham will be held in Victoria Hall, Unionville, on Saturday, May 16, at 2 p.m. All who are favorable to Conservatives' interests are requested to attend. Mr. McCowan, M.L.A., Capt. Thomas Wallace and others will address the meeting.

NORWAY.

Conservatives Organize—Mr. Curry Speaks in Norway School To-Night.

NORWAY, May 14.—A meeting of the Conservative workers of the four Norway polling subdivisions will be held at the Norway schoolhouse, to-morrow (Friday) evening, at 8 o'clock. Business of importance will come before the meeting, and a large attendance is expected.

J. W. Curry will address the electors of Norway and the surrounding district generally at the Norway schoolhouse, at 8 o'clock sharp. All are cordially invited to attend. Mr. Curry will speak of Highland Creek on Saturday evening.

NORTH TORONTO.

Townpeople Generally Seem to Favor Purchase of Dewdney Lajis.

NORTH TORONTO, May 14.—The town council has received and considered two options for properties for park purposes. One is the Skinner Estate of 16 acres, the price being \$30,000. The other is the Dewdney property, adjacent to the pumping station, consisting of 14 3/4 acres and the price asked is \$4,000. The latter property is by far the most desirable one, not only for park purposes, but will also provide for enlarging the town's water supply, and a bylaw will be prepared and submitted to the ratepayers authorizing the purchasing of it.

The council could not see their way clear to acquire the property and other options are being asked for. The World interviewed a number of the heaviest ratepayers as to the wisdom of acquiring land for parks, one in the south end, one in the north end, and practically all were of the unit with respect to the purchase of the Dewdney property at the price asked. Among others were Councillor W. Peake and Rev. Mr. Back of Eglinton and Dr. Carmichael of King will address the people.

The Sunday World.

Spring is here—at least so says this week's Sunday World. In an illustrated poem by Canada's greatest versifier, "The Khan," dedicated to the Bullfrogs, the one and sure harbinger of spring.

The portraits, views and scenes depicted in the illustrated section present a more varied selection than has yet appeared in this publication. Nautical men will view with interest the upturned hull of his majesty's ship "Gladstone," which was recently wrecked off the Isle of Wight and in which a large number of seamen were drowned.

The biggest Garrison Parade that ever took place in Toronto is beautifully illustrated in a series of views on the front page of this week's Sunday World, as is also the opening of the baseball season. There is a fine half-tone photograph of the hoisting of the pennant and members of the Ontario Regiment in their great baseball scene of striking out Inspector James L. Hughes.

The West Enders, represented by the Cornish, Devon and Bristol Associations, may be viewed in this week's Sunday World, while a picture of their banquet, which was held last week. There is also a view of the banquet of the Ward F. O. U. Conservative Association, showing a striking political organization enjoying a night off.

There is a reproduction of a painting entitled "Klatsje," by Curtis Williamson, which was awarded a silver medal at the St. Louis Exposition and is now the property of the Dominion Government. The scene is from life in the Ward and views from the Scarboro Beach Summer Resort is pictured and described.

There is a lovely panoramic view of the Humber Valley, showing it in all its beauty from the lake to Lambton Mills. The immense structural work in connection with the Grand Trunk Pacific elevators is pictured in various stages of construction. Sporting clubs and group views of various institutions are presented in profusion.

The comic page will be as usual. Amuse the grown-ups as well as the children. Binnacle Jim goes thru his funny stunts and meets with the usual mishaps. Johnny and his Teddy Bears are indulging in the summer pastime of swimming. There is a series of funny pictures entitled "Dolly, the Captain's Parrot, and the College Chumps," which is guaranteed to produce a laugh where there was no laugh before.

With the vacation and summer holidays in the near future the fashion page of two-piece suits for the gentler sex will be of immediate interest.

The trial of the Ontario Government, which is now progressing before the Ontario jury, is reported at length. The weekly letter from Parliament Hill will tell you what is going on at the capital.

For what you all about the horses. The movement of society in Toronto, Hamilton, Ottawa and other centres are accurately chronicled. A weekly letter from below: Theatrical events for the coming week are described and pictured.

In addition to the numerous special features The World will as usual publish the very latest news of Saturday afternoon and evening and a complete story of Saturday's sporting events.

The big 36-page paper will be on sale by all newspapers and news-boys. Order your copy in advance to ensure securing it. Only 5 cents a copy.

NEW FRUIT LINE

BETWEEN SAVANNAH, CUBA AND PORTO RICO PORTS.

The CUBAN COMMERCIAL CO.

Capital \$5,000,000 Shares \$10.00 per share.

Fruits and vegetables direct from the plantation in Cuba to Chicago in 72 hours. This is what this new line will do in the near future. Buying on its own account, selling on commission and carrying freight for others will tax the capacity of each ship every trip. Thousands of dollars worth of choice fruits and vegetables have been wasted every year in Cuba and Porto Rico for want of transportation facilities to bring the stuff to market. Fine apples could be had at about two cents apiece and other fruit and stuff at corresponding prices. A profit of 100 to 500 per cent. is the common thing. With the inception of this line there will be an increased production by the small growers whose orders also for American goods must be taken into consideration. The Line is assured of satisfactory freights each way every trip. The Company's steamships will be modern, up-to-date, equipped with cold storage and ample accommodation for passengers. Winter tourists will find this a very popular cruise. Connecting traffic arrangements will be made with the Southern Railway and the Louisville & Nashville Railroad at Savannah for points north and west, and similar arrangements with the Cuban Railroad at Antilla for all interior Cuban points. The Company has under option a tract of 5000 acres of fine land in Cuba upon which will be founded a model American Colony, and this land will soon be thrown open to the public for this purpose. Purchasers of stock will be given an opportunity to exchange stock for land if they desire.

MANAGEMENT.

The affairs of the Company are in the hands of an Executive Committee composed of experienced and capable business men of great enterprise and energy. The freight business will be taken care of by one of the best known transportation men in the country. Each ship will carry a special representative of the Company who will have full power to enter into and carry out contracts and to personally supervise the service extended to passengers, thus assuring both their safety and comfort. The Company's agents will be found in all the smaller, as well as the larger ports of Cuba and Porto Rico, whose duties it will be to secure business both ways in taking orders for American goods and in buying or contracting for fruits and garden truck for shipment north. Positions will be open for a great number of good men and naturally stockholders of the Company will be given preference where such positions are created or vacancies occur.

YOUR OPPORTUNITY.

To enable the management to carry out these plans as above outlined the full paid and non-assessable Treasury Stock of the Company is now offered for public subscription as follows: 10,000 SHARES (PAR VALUE \$10.00) WILL BE SOLD AT \$2.00 PER SHARE—GOOD UNTIL JUNE 1st, ONLY. AFTER JUNE 1st, ANOTHER 10,000 SHARES WILL BE OFFERED AT \$3.00 PER SHARE—GOOD UNTIL AUGUST 1st, ONLY, at which time the price will be advanced to \$4.00 per share; and as fast as the money over the previous offerings will be made, but always at an advance of One Dollar per share. This stock will eventually be listed upon the different Exchanges, but not until it sells at \$10.00 per share, which will probably be within one year.

500 per cent ADVANCE.

Buyers of the stock at \$2.00 per share will be able to secure 500 per cent on their investment when the stock sells at \$10.00 per share. The Company should earn and pay 25 per cent dividends at that time. Remember, all Fruit Companies pay, especially Fruit and Transportation Companies, and with its excellent management and its opportunities this should be no exception.

ADVANCE CERTAIN JUNE 1st.

The stock will positively advance in price to \$3.00 per share on June 1st. Not a share will be sold after that date below \$3.00 per share. The Company reserves the right to repurchase and return all orders in excess of that amount at \$2.00 per share. Quick action only will assure acceptance. Subscribers will be notified by mail of the advance. No order for less than 5 shares will be accepted. No enterprise of modern times presents such an opportunity for speculative investment. The Company has a great future and to far-seeing business men and women the present price of \$2.00 per share for this stock should look like a rare bargain.

TORONTO MAN SNATCHED FROM THE JAWS OF DEATH

3 Physicians had pronounced his case hopeless.

The above decision given by several prominent physicians naturally depressed Mr. R. Davenport of 31 Elm Street, Toronto, and justified him in saying that he felt each day brought him one step lower into the grave. While in this condition he was recommended to try Psychine. He says: "Following an attack of typhoid fever in Toronto General Hospital, three of Toronto's best known physicians pronounced my lungs incurably and hopelessly diseased with tuberculosis. They insisted on my going to the Weston Sanitarium for Advanced Cases of Consumption and assured me that a few weeks or months at most would be my allotted span. A friend visited me and told me of his wonderful recovery from lung trouble, through Psychine, and insisted on me trying it. I did, and felt so much better in a few days that I said 'Good-bye' to the doctor in charge, and walked out of the institution. I continued using Psychine for some months. I rapidly gained in flesh and strength, until to-day I am back at my regular business in connection with the C.P.R. Telegraph Service, Toronto. My life I undoubtedly owe to Psychine." This was in September, 1907, and Mr. R. Davenport had weathered the severe winter we have passed through. Surely a good test to the thoroughness of the work done by Psychine, the Greatest of Lung and Throat Tonics.

Psychine Cures Bronchitis, Consumption, Weak Lungs, Weak Voice, Bronchial Coughs, After Effects of La Grippe, Anæmia, Loss of Flesh, Spring Weakness, Catarrh of Pleura, Hemorrhages, Catarrh of the Stomach, Indigestion, Catarrhal Affections, General Weakness, Night Sweats, Poor Appetite, Early Decline, Obstinate Coughs, Laryngitis, Speaker's Sore Throat, Throat Catarrh, Chills and Fever, Malaria, Nervous Troubles, Nervous Prostration, Sleeplessness, Malnutrition, Neuritis, and all Weaknesses.

Psychine Restores the Throat, Lungs, Heart, Stomach, Digestive and Blood-Making Organs to perform their proper functions, and is the only specific known to Modern Medical Science that will cure Chronic Weakness, Catarrh, Decline and Incapacity of Consumption. Sold by All Druggists and Stores. Price, 50c. Larger Sizes, \$1.00 and \$2.00. L. S. SLOCUM, Limited, Head Office and Laboratory, 179
