THIRD TERM MOVEMENT TO SHOW APPRECIATION

Citizens' Meeting Takes Up the Organization for Another Year For Mayor Stewart

HAMILTON, Sept. 23.—(Special.)—The citizens of Hamilton showed tonight how eager they are to reward Mayor Stewart for the fight he has put up for them in the struggle for cheap light and power, when the movement to get him to run for a third term was taken up by over a hundred representative men at a meeting held at the Hotel Royal. All classes and every ward in the city were represented.

The first fall parade of the 91st Highlanders was held this evening. Appreciates Hotelmen. Rev. James Pringle gave an address this evening in St. Paul's Church school-room on his work in the Yukon.

The local branch of the Laymen's Missionary League opened its meeting in Coteney Church this evening. Lieut.-Gov. Gibson presided. Mayor Stewart welcomed the delegates. He laudably returned the year worrying the chairman that he was not as familiar with the movement as he should be.

Decision Power Company's Meeting. The shuffle on the board of directors of the Dominion Power and Transmission Company has been occasioned by the resignation of Col. J. M. Gibson was made this morning. Lieut.-Col. J. Robert Moodie was elected president and George B. Blanchard, recently imported, was elected to the vacancy on the board, being made vice-president.

Rev. Joseph Prichard, graduate of the Jews' College, has been elected rabbi of the Huggins-street Synagogue. A reception was tendered to him this evening. The proposition to appoint a plumbing inspector has apparently fallen thru.

There are now 46 names on the "Irishman" list. Mrs. Powell, wife of John Powell of the McPherson Shoe Co., has been missing for some time. It turned out that Jessie Smith, a girl held on a charge of vagrancy, escaped from the Alexandra Home, Toronto. She told the police she was from Stratford.

Now open for visitors. Complete new building, home comforts, very central. Excellent cuisine. Terms \$1.50. Geo. Midwinter, Phone 3432. Skedden & Son, Painters, Decorators, Paperhangers, 163 King St. West.

of the immigration and altogether too negligent as to the quality. Canada should at all times retain absolute and complete control of immigration, and the government made a false step when it handed over to Japan the control of immigration from that country.

We ought to manufacture all the articles which can be reasonably and usefully manufactured in this country. We don't believe in sending our raw material abroad and then sending our good Canadian money to foreign countries to buy articles made out of the raw material of this country, bringing our people into competition with the pauper and unfair labor of other countries.

No man is a true friend of the Conservative party who does not lend his aid to the project (suggested in letter of Dr. Chown) of putting down political corruption and the carrying on of clean elections. We will endeavor to get the consent of every province, all of which entered politics on certain terms, to certain proposals we will have to make in regard to the reform of the senate. At least, I will undertake to say that in one year we will make as much progress as they made in twelve years.

I have known Mr. Foster for twelve years and I have yet to hear of one public act of that gentleman which was not honest, straightforward, creditable to himself and creditable to this country. Even if everything said of Mr. Foster by that gentleman (Globe editor) were true, I would esteem him above that same gentleman who on the Sabbath Day preaches righteousness and every other day defends the wrong.

Does Sir Wilfrid Laurier regard Mr. Pugsley as the proper custodian of the millions of the public money of this country that are expended in public works? Some of his (Laurier's) black sheep have been exceedingly well taken care of. I bear a challenge from Premier Hazen of New Brunswick to Mr. Pugsley to meet him on this platform or anywhere else and he will discuss with him the charges that Mr. Hazen has made against him.

ATTORNEY-GENERAL BOWSER. Public opinion in the east must take up this matter (the influx of Orientals) as we have in the west. I appeal to the laboring man to stand by the best in this agitation. We are going to keep it up till the people of this country come to understand that we are dealing with the question in the interest of the white people of Canada.

With the Liberal party losing control of the legislatures of this country, is it any wonder that Sir Wilfrid is losing his sunny smile? PREMIER ROBLIN: The government of Sir Wilfrid Laurier has demoralized public opinion; it has injured the credit of this country, and lowered its moral tone; and it has made Canada a byword and a reproach.

That Umbrella—take it to East's and have it re-covered and repaired. Don't wait until the rainy season is here; do it to-day; then it will be ready for emergency.

kenzie was attacked in the days of his power as the Liberal government is today. "It is perhaps humiliating to me to have to follow our accusers. Mr. Borden has charged me with stealing his clothes. God forbid that I should commit such a petty theft.

Proceeding he said: "I have devoted my life to make a nation out of the scattered elements which comprise the population of this Dominion. Dealing with the school question the premier pointed out that in the elements which comprise the population of the country there were differences of opinion, custom and religion. The people moved in different grooves. Fair concession to the position of third commercial nation of the world."

The government, he declared, was carrying the export business of the United States. They had brought Canada to the position of third commercial nation of the world. "The next came Great Britain, with \$100 per head; then came Canada, and Jack Chanuk was worthy of his sire, John Bull, with a commerce exceeding \$80 per head.

W. H. Kerr, Brussels, introduced Hon. G. P. Graham, who dealt with the development of Canadian trade under the British preferential tariff, and with conditions of the International Railway. The debt of Canada was about \$10 per head less than in 1906, he declared. School Children Welcome. On arriving at Clinton, a large crowd cheered the premier, who appeared on the platform to receive the municipal address from Mayor Wilson.

The parade at 1 o'clock was witnessed by a large crowd from Wingham, Stratford, London, Listowel, Brussels, Blyth, Kincardine and other points; six bands and uniformed pipers were in line. When the parade reached the park, 100 school girls, under the direction of W. P. Spaulding, sang "Men of the North." The school children all had a holiday. Among those on the platform were: Dr. Shaw, chairman; John Tolmie, Valentine Ratz, Dr. McDonald, Mayor Wilson, W. H. Kerr, J. G. Murdoch, John Lachie, Brussels; John McMichael, Seaford; John T. Currie, Wingham; Thos. McMillan, Seaford; John Brown, Stratford; Wm. Baillie, reeve of West Wawanash; G. Blair, Goderich; J. J. Hunter, Kincardine; W. L. Horton, Goderich; Alex. Saunders, Stratford; Peter Lamont, reeve of Hay; Wellington Hay, Listowel; Chas. Bowman, M.L.A. for North Bruce; Dr. Goderich; W. M. Sinclair, reeve of Robert Currie of East Wawanash; Charles Garrow, B.A., Goderich; J. A. Rumball, president of the Board of Trade of Goderich; W. M. Sinclair, Brussels; Mayor Gordon, Stratford; Mayor R. S. Hays, Seaford; D. Urquhart, Hensall; Geo. Taylor, reeve of Morris; J. E. McIntosh, Goderich; A. J. Bobbie, reeve of Exeter; R. E.
