A 10c Cake of Infants' Delight Soap FREE on Saturday

Watch for the Coupon—It is Worth 10c at Your Dealer's

We want every family to try the wonderful Taylor Soaps. So on Saturday we will print a coupon in this paper good for a 10c cake of Infants' Delight, when presented to your Dealer with 5c to pay for a cake of Taylor's Borax Soap.

Infants' Delight

Made of pure vegetable oil from the gardens of France, and cocoanut oil from the isle of Ceylon. We go thousands of miles for these oils, but it's the only way we know how to obtain the best ma-

terials. You'll appreciate our care and the trouble we go to when you try your first cake of this rich, creamy soap for the toilet

It leaves the skin as smooth and fair as an infant's. So we call it Infants' Delight. Be sure to get the free cake on Saturday.

Borax Soap

Saves half the rubbing. Makes the linen snowy-white and doubles

The borax softens the water and keeps the hands smooth and white. It will not injure fabrics, however delicate, and yet it cleanses thoroughly. Buy a cake of Taylor's Borax Soap, and see how quick it lathers, how it helps you do more work in half the time, and how

superior it is to any other soap you ever tried. 5c invested on Saturday gets you a 10c cake of Infants' Delight besides.

Motion stands for company's affairs, with a stipulation for a stay of proceedings pending a further order from the court. The petifurther order from the court. The petitioner was Molsons Bank, which claims \$75,733, the proceeds of a promissory note made by the president, A. G. MacKay, Samuel Lloyd, T. J. Thomson, M. Kennedy, the Maitland Estate, J. W. Leonard, W. G. Dow, A. J. Frost and H. R. Harrison, and endersed by the compension.

dorsed by the company.

The plant cost the company \$316,817, but according to an expert it has de-preciated, and is not now worth more than \$100,000. The company was organ-lzed in 1894 under the name of the Georgian Bay Cement Company. The name was changed in 1900. The original capital was \$95,000, which was later in-creased to \$300,000. The plant ceased operations in November of last year.
