

NOVA-SCOTIA (35) ALMANACK

The high, the mountain-majesty of worth
Should be, and shall, survivor of its woe,
And from its immortality look forth
In the sun's face, like yonder Alpine snow,
Imperishably pure beyond all things below.

PHASES OF THE MOON FOR DECEMBER, 1888.

- Full Moon, 1 day 7h 20m morning.
☾ Last Quarter, 8 day 6h 20m evening.
