LATE LOCALS

The N. B. Southern train to St. Stephen was snow-stalled at Spruce Lake yesterday and the passengers were brought back to the city in sleighs.

Served by S. W. Scammell, the caterer for the occasion.

The entire proceedings will be strictly informal so as make the celebration enjoyable for all. The members of the Uniform Rank will attend in fatigue uniform which will, no doubt, add to the brilliancy of the function. It is expected there will be an attendance of about 400 or 500 knights and their ladies.

James Hamilton, of Fort Dufferin, west side, had his leg broken in two places on Tuesday last, while working in the woods at Clarendon. He was reported to be rest-strengthening of committees will be constructed by the formation of rules and strengthening of committees will be constructed.

THE WEATHER

Capt. Mabee nor H. McCleary could be seen this morning with reference to the reports.

W. F. Robertson, of the National Drug and Chemical Co., received word this morning from Murray Harmer, of Norton, of a serious accident that ocuerred their yesterday morning. Mr. Harmer's father. Elijah Harmer, general merchant at Norton, went to the station with men to see about the reloading of a car of lumber which had partly upset while coming out on the branch road from Chipman. A deal fell from the top of the car, and one of the ends of it struck Mr. Harmer above the car. A doctor was immediately summend and upon making an examination of the wound said that he did not think that the skull had been fractured, but the injured man had a very ugly scalp wound.

A JAPANESE TEA.

The committee in charge of the free kindergartens are planning a Japanese tea and entertainment to be held from four till six c'clock on Saturday in the school room of St. David's church. A pretty-programme has been arranged, which includes solos by little Miss Marion Campbel. There will also be a sale of candy.

#### THE KNOCKER

There are two health departments in St. John. The board of health has been much criticised because of its alleged failure to look after the public health; and this may have been the determining cause of the inauguration of a health branch winch bears heavily on young men who this may have been the determining cause of the inauguration of a health branch winch bears heavily on young men who the street department. Whatever the in having a dual service. The board of health keeps a vigilant eye on the clusve and insidious microbe, while the health branch of the street department takes care that the citizens get exercise. Exercise is healthful.

The contention may be raised that the young men who go away are induced by this health branch is certainly unique. It is well known that there are a number of citizens who gravitate between their homes, the Union Club, and Prince William street. They get so little exercise that they are constantly subjected to treave the the sidewalk on Princess street hill this morning the sand was scattered on one side from the Union Club to Canterbury street, and walk ore to the ealth branch of the sidewalk on Princess street hill this morning the sand was scattered on one side from the Union Club to Canterbury street, and walk over to the chers idee The additional exercise helped his digestion, and the artifice of the health branch was responsible for the benefit. Now there are some thoughtless person, who insist that Director Cushing and Sw perintendent Winchester should sand both sides of a hill like Princess street, all the way down. The purpose of this article is to knock their absurd criticism is to knock their absurd criticism is to knock their absurd contention, and show that Director Cushing and Sw perintendent Winchester should sand both stides of a hill like Princess street, all the way down.
