

MONTREAL DRUGGIST COMES OUT WITH THE FACTS ABOUT TANLAC

"We Never Had a Medicine in the Store That Gave Such Satisfaction," He Declares.

SAW OTHERS RESTORED, THEN TOOK IT HIMSELF

Quickly Overcame His Own Troubles After Everything Else Had Failed to Bring Relief.

"After my personal experience with the medicine, I do not hesitate to say that Tanlac is the finest tonic and system purifier that was ever handed over a druggist's counter," was the very remarkable statement made by Alphonse LeCavalier, druggist at Dr. LeDuc's drug store, 1608 St. Catherine street, east, Montreal, recently.

"I had had acute indigestion for the last three years, and could find nothing to relieve me. After every meal I used to feel as though I had swallowed some hard substance. The gas would form so as to nearly suffocate me and cause my heart to palpitate. I had no appetite whatever and my food seemed to have no flavour. The distress caused by indigestion was especially bad at night, and hindered me from sleeping. I was fitful and nervous, and when at last I did drop off to sleep, I would have the most frightful nightmares, and wake up with a start to find myself in a bath of perspiration. My complexion was very sallow, and I got so weak that I felt as though I must give up altogether and go to bed. In fact I was in a complete state of nervous prostration and exhaustion.

"We never had a medicine in the store that sold like Tanlac, or that gave such general satisfaction. So many people who bought it told me that they had been benefited by it, that I decided to try it myself. The result exceeded all my expectations, for Tanlac did more for me than any other medicine I ever tried. I now have a splendid appetite and my digestion is perfect. I have the most refreshing sleep at night, undisturbed by nightmare. My complexion is fine and healthy. I have gained several pounds in weight and feel as well and strong as can be. After this I shall take special pleasure in recommending Tanlac, for I now know from personal experience what it will do."

Tanlac is sold in St. John by the Ross Drug Company and F. W. Munro and by the leading druggist in every town. (Advt.)

IMPERIAL'S CROWDS WERE THRILLED TO THE MARROW

"Behind the Door" Story of Vengeance Wreaked on U-Boat Commander.

Whenever a photoplay production bears the imprint of Thomas H. Ince's direction, then the screen fans look for something extraordinary. That seems to have become the rule since Mr. Ince presented such screen triumphs as "The Gypsy," "The Guilty Man" and "False Faces." That Mr. Ince is making huge strides forward was amply evidenced at the Imperial Theatre yesterday, when his latest production, "Behind the Door," starring that virile player, Hobart Bosworth, was shown.

The story of "Behind the Door," written by Gouverneur Morris, afforded Mr. Ince ample scope for the employment of his genius as director of gigantic spectacles. It is a story of the logical development of which holds one spell-bound from start to finish. It is a thrilling narrative of tremendous dramatic strength at times and the finale which is disclosed by shadows "behind the door," and which breathes tragedy born of relentless vengeance of the man who has been deeply wronged, is one of the strongest seen by motion picture audiences here in many a day.

Oscar Krug, the part played by Mr. Bosworth, is a taxidermist in a small town where people are wont to gossip about their neighbors, right or wrong. At the outbreak of the war between the United States and Germany, rumor has it that Krug is a German spy, and one day, to vindicate himself, Krug thrashes a crowd of men who are reviling him and immediately enlists in the navy.

After he is assigned to the captaincy of a merchant vessel, he develops that Krug has secretly wedded Alice Morse,

THE NEED OF GAME PROTECTION

Arrangements for Entertaining National Editorial Association in June.

The committee having in charge the arrangements for the reception of the National Editorial Association party that will arrive in St. John in June reported good progress made in all the preliminaries, at the meeting of the Tourist Association in the association's rooms yesterday afternoon. N. R. DesBrisay, the president, was in the chair and there was a good attendance of members. Amongst those present was W. H. Allen of Fenwick, York county, president of the New Brunswick Guides' Association, who came specially to offer the hearty co-operation of the guides in entertaining the party of distinguished guests.

Dedicate arrangements were reported to have been made for taking the party for a sail on the St. John River on the first day of their visit. The Commercial Club has asked to be allowed to take part in the entertainment and it was suggested that the club might provide the supper on the first night, holding it either at some place on the river reached in the sail or holding it in St. John on the return from the sail. This proposal it was decided to submit to the Commercial Club and the guides. The answer of the club no action will be taken for the supper arrangements by the guides.

Plans for the second day of the visit which were spoken of included an automobile trip round the city in the morning with visits of inspection at the principal industrial plants. Reports were given of the souvenirs which it is hoped will be in readiness to present to the visitors. These souvenirs it is planned will consist not only of attractive booklets but also of sample articles typifying the manufactures and industries of the province.

As the party is to go on to Dalhousie where it leaves St. John to attend the convention of the All New Brunswick Tourist, Game and Resources League in that place, the arrangements for the convention were discussed at length. W. H. Allen, on behalf of the guides, said that he was prepared to make all arrangements for a big "woods" dinner for the members of the convention on the first night at Dalhousie and guaranteed that a large party of guides and cooks would be on hand to make the dinner a grand success and give the visitors a real treat.

Mr. Allen was most enthusiastic in taking up the suggestion for the entertainment and promised that the guides would do all in their power to give the

Minard's Liniment for burns, etc.

ST. MARY'S BAND FAIR.

The fair being given by St. Mary's band in Thorne Lodge Hall, Thorne avenue, got away to a good start last evening. It was opened by a speech by Mr. Allen, who was followed by Mr. Kinney. The floodgates of music were opened by a band of music furnished by the band. The fair is being conducted by Mrs. H. McChern. The drawing for the fancy waist was won by Mrs. H. McChern. The fair is being conducted by members of Thorne Lodge and the various games and amusements afforded plenty of amusement. The decorations were attractive on the various booths and about the hall generally.

STRENGTH WILL RETURN TO WEAK PEOPLE USING THIS TREATMENT

You are discouraged. You feel old and worn. You are sick, but not aware of the fact. You can drag yourself around—but work is impossible. With your stomach crying out for assistance and the nerves all on edge, you not try Ferrozene—it will surely do you good.

Ferrozene is a wonderful combination of vegetable extracts, fortified by excellent tonics for the nerves and stomach. When you feel despondent, Ferrozene cheers you up.

When languor and oppression weigh you down, Ferrozene braces you up.

When sleep is impossible, Ferrozene calms the nerves and gives you rest.

For bounding health, good looks, good spirits, nothing equals Ferrozene; makes the weak strong and the sick well. Good for men, women and children; try Ferrozene. It can work wonders, as it did for Mrs. Nelson, of Harbor Bouche, N. S., who writes:

"Ferrozene built me up. Before using it I scarcely knew what good health meant. I was just a miserable and weak as any woman could be. Tired from morning to night, bothered by trifles, unusually nervous. The first box of Ferrozene improved my blood, gave me appetite. In a short time I was like a new person. Now I rejoice in abundant good health."

Try Ferrozene. It will make an unexpected improvement in your looks, your feeling, your health.

Whether anemic, nervous or suffering from secret disorders—if you want cure, use Ferrozene. Price 50c. per box, or six boxes for \$2.50, at all dealers or direct from The Catarhousie Co., Kingston, Ont.

USE The Want Ad Way

The Stomach Begins

digestion, but the most important work is done by the bowels, liver and kidneys. Failure of these to act efficiently allows the whole body to be poisoned.

BEECHAM'S PILLS do more than produce bowel movement. Liver, skin and kidneys are influenced to more active effort with resulting increased effect. It is always safe to take

Sold everywhere in Canada. In boxes, 25c., 50c.

Watery Blood

YOUR blood may be rich and red—well stored with nourishment for the cells and tissues, or it may be thin, weak, and watery.

If thin, there is a pallor of the lips, gums and inside of eyelids. In other words you're anaemic or bloodless.

Since every ounce of nourishment supplied to the human system is obtained from the blood, the anaemic condition means a starving of the nerves and crippled functioning of the vital organs.

Headache, lack of energy and ambition, failure of the digestive system, shortness of breath, weak heart action and sluggish, torpid condition of the liver, kidneys and bowels are some of the symptoms of anaemia.

Cure can only be brought about by improving the condition of the blood by use of such treatment as Dr. Chase's Nerve Food.

The digestive system has failed to supply proper nourishment from the food you eat, so you must get the blood-forming elements in condensed and easily assimilated form as they are found in this well-known food cure.

The letters published here will give an idea of the benefits to be obtained from the use of

50 cents a box, all dealers or Edmanson, Bates & Co., Ltd., Toronto. The portrait and signature of A. W. Chase, M.D., are on every box of the genuine.

visitors pleasant memories of the convention.

The meeting yesterday also took up the matter of the formation of a game protection association for the province, which is to be brought up at the convention in Dalhousie.

W. Carson, chief game commissioner for the province, had expressed the

opinion that such an association of sportsmen and men interested in the preservation of game and fish in the province which would uphold the game commission and create public sympathy in the enforcement of the game laws, was an absolute necessity in New Brunswick.

Reports of the different counties regarding membership rolls recently sent by the All New Brunswick Tourist, Game and Resources League, were very satisfactory. They showed that the league membership was rapidly increasing and that support for its undertakings and interest in its work would be assured by a large and representative body in each county.

Anaemia of the Brain

Miss Rena B. Crossland, Kempt, Queens County, N.S., writes:—"I feel it a duty, as well as a privilege, to tell of the wonderful benefit I derived from the use of Dr. Chase's Nerve Food. In March, 1917, I had anaemia of the brain, and the mental and physical suffering I endured is indescribable. I had treatment from three doctors and for twelve days was unconscious, while for three months I was fed and cared for like an infant. My mother has so anxious for me to use Dr. Chase's Nerve Food that she crushed it and baked it in my food. After using two boxes I could feed myself, and after using it for two months, my health improved so rapidly that doctors and friends said my recovery was a miracle.

"I cannot recommend Dr. Chase's Nerve Food too highly, even to those who seem to be facing death. We keep it in the house now, and I use it occasionally to keep 'fit.' I shall always regret that I did not follow my mother's advice and use it while I was very young, whenever I felt nervous or tired. But as I had no serious illness and did not realize the value of it, I neglected my mother's advice until it was too late and I had a complete breakdown. But thanks to Providence and Dr. Chase's Nerve Food, I have been enjoying my former health and strength for the past two years.

We have also used Dr. Chase's Kidney-Liver Pills, Catarrh Powder and Ointment in our home, and must say we have been surprised sometimes at the instant relief given."

him for his efforts. Although taken by surprise Mr. Moore, in a few well chosen remarks, replied in a fitting manner, and complimented the class on the talent shown, and trusted they would be able to continue the work.

GROWING DEAF WITH HEAD NOISES? TRY THIS

If you are growing hard of hearing and fear Catarrhal Deafness or if you have roaring, rumbling, hissing noises in your ears go to your druggist and get 1 ounce of Farinot (double strength), and add to it 1/2 pint of hot water and a little granulated sugar. Take 1 tablespoonful four times a day.

This will often bring quick relief from the distressing head noises. Clogged nostrils should open, breathing become easy and mucus stop dripping into the throat. It is easy to prepare, costs little and is pleasant to take. Anyone who is threatened with Catarrhal Deafness or who has head noises should give this prescription a trial.

A Gift

A 10-Day Tube of Pepsodent is sent to all who ask. See coupon.

Everyone is welcome

Now this new method is embodied in a dentifrice called Pepsodent. And everyone is welcome to a ten-day test.

Pepsodent is based on pepsin, the digestant of albumin. The film is albuminous matter. The object of Pepsodent is to dissolve it, then to day by day combat it.

Pepsin long seemed impossible. It must be activated, and the usual agent is an acid harmful to the teeth. But science has found a harmless activating method, and pepsin can be every day applied.

Two other new-day requisites are combined in Pepsodent. So this method in three ways brings unique results, and everyone should know them.

Send the coupon for a 10-Day Tube. Note how clean the teeth feel after using. Mark the absence of the viscous film. See how teeth whiten as the film-coat disappears. It will be a revelation.

Do this for your sake and your family's sake. Judge the method by results. Cut out the coupon now, for few things are more important than whiter, safer teeth.
