REGINALD SHAMPER DEAD IN MONTREAL

St. John Man Succumbs
Suddenly to Attack of
Pneumonia.

Friends of Reginald L. Shampier, of
this city, who had been employed with
the C. P. R. at Montreal were shocked
to learn of his death which took place
suddenly last evening in Montreal after
only a brief illness. Word was received
on Saturday that he was being taken
to hospital suffering with pneumonia
and his father, Charles Shampier, left
for Montreal. Yesterday a wire from
Mr. Shampier was to the effect that
his son was improving and the news
which reached the city today, there-
fore, came as a great shock.

Mr. Shampier was formerly a traveler
for the Dominion Rubber Co. Ltd., in
this district and was well and favor-
ably known by a great many people.
Besides his father, who is with the
Civic Hydro Commission and was for-
merly with the Western Union Tele-
graph Co., he is survived by his
mother, his wife and two children, who
are residing at South Bay with Mrs.
Shampier's parents, Mr. and Mrs. Sam-
uel Peterson, and two brothers, re-
siding in the west. The sympathy of
many friends will be extended to the
bereaved family.

MERCHANT CHEERY UNDER FIRE LOSS

J. D. Creaghan of Newcastle
Here—Will Hasten Re-
building.

That plans for the rebuilding of
their store at Newcastle were now
under way and just as soon as the
debris could be cleared away, the
work of construction would be com-
menced, was said this morning to a
reporter of The Times-Star by J. D.
Creaghan, senior partner of the firm
of J. D. Creaghan & Co., who was in
the city.

Mr. Creaghan said the loss had not
been so great as anticipated, and
there had been very little interrup-
tion of business as they had been
able to draw on their other stores
at Chatham and Moncton for sup-
plies while getting a new stock into
Newcastle. The night of the fire
three stores had been leased and
these would be used until the new
building was complete.

He was enthusiastic over the out-
look for business in general in New-
castle and said a banner summer
was looked for there.

DISCUSS PLANS FOR ARTILLERY TRAINING

Heavy Brigade Officers Hold
Meeting—Some Dates
are Arranged.

Plans for the artillery training camp
at Petawawa were discussed at a
meeting of the officers and N. C. O.'s
of the 3rd N. B. Heavy Brigade, Cana-
dian Artillery, presided over by the
commanding officer, Lieut.-Col. N. P.
McLeod, in the armory last night. It
was announced that two officers, five
N. C. O.'s, two signallers of the local
unit would go to Petawawa on June
26 to take the 10 days "refresher"
course for the purpose of brushing up
on training. On July 8, eight officers
and 40 men will follow them to take
the regular artillery course. A similar
number will go from the brigade in
Moncton. Col. McLeod said that the
local training which is being given
had preceded that of Petawawa, would
this year be given in the Armory here
in October. It will consist of six days
training with the entire 3rd N. B. Bri-
gade participating.

tion of the General Assembly of the

LOOKS WELL FOR PHIL MACDONALD

Athlete Measured for Olym-
pic Suit is Word Re-
ceived Here.

If being measured for an Olympic
track suit is any indication that the
favored one is almost sure of a place
on Canada's Olympic team, then "Phil"
MacDonald's name is as good as on the
list. The tall young islander is daily
working out at Toronto now, accord-
ing to Ray Pendleton, Y. M. C. A. sec-
retary at Charlottetown, P. E. I., "Phil"
MacDonald, who is formerly general secre-
tary of the local "Y," was a visitor in St.
John today, and he reports that MacDonald's
Olympic suit, consisting of white run-
ning tights and blue overalls. This in-
formation was contained in a letter re-
ceived recently by Miss Mary Mac-
Donald, "Phil's" sister, who is stenog-
rapher at the Charlottetown Y. M. C. A.

SEEKS PROVINCE OLYMPIC GRANT

A. W. Covey Goes to Fred-
erickton to Interview
Government.

A. W. Covey, president of the M. P.
A. U. of Canada, will leave tomor-
row morning for Fredericton to inter-
view the Provincial Government with
a view to securing a grant from the province
for the Canadian Olympic fund. The meet-
ing has been arranged through Hon. Dr.
F. H. Ferguson, Minister of Health.
Mr. Covey expects to be accompanied
by a small delegation. He says that as
several New Brunswick athletes are al-
most sure to make the Olympic team
the province should bear its share of the
expenses. "Charlie" Gorman and
Hilton Bolya have been sent over prac-
tically at the expense of St. John citi-
zens but as "Billy" Maynes and "Zan"
Miller are almost sure to go to a portion
of their expenses should be borne by
the province, in the opinion of Mr.
Covey.

There has been received at the office
of the Board of Trade a copy of the
1923 report of the C. N. R. In addi-

ing made by the system during the
year. They also expressed the hope
that during the coming winter season a
greater use would be made of the

that St. John would get its share of
this business.

the Minister of Trade and Commerce
enclosing a corrected copy of the ad-
vertising pamphlet showing the ports
of the Dominion from which overseas
traffic is carried and on this the port

As Hiram Sees It

"Hiram," said The
Times reporter to Mr.
Hiram Hornbeam, "are
the flags flying in The
Settlement today?"
"Yes, sir," said Hiram,
"we ain't like you folks
here in town. We got
it out on the flags on the
King's Birthday."
"Do you remember,"
said the reporter,
"when it used to be the
Queen's Birthday?"
"I do so," said Hiram,
"and we still have it as
Victoria Day. I mind
when I was a little feller
the old folks used to tell
me that a fine woman the
Queen was—an' how she was loved by
everybody. An' on the twenty-fourth
of May we'd go pickin' Mayflowers or
fishin' or hev'in' a picnic or a good
time o' some sort. I'll never forget one
twenty-fourth when me an' Hanner
was out with a party pickin' May-
flowers. I guess that was the day we
first found out we wanted to keep
company. I didn't hev much to say,
an' nuther did Hanner—but we done
a lot o' talkin' with our eyes. I guess
we was both as lusty as any kids
ever was—but I was tryin' to make
up poetry that night when the moon
was shinin'. Say—I'm gittin' foolish—
Good-day."
