Margolian's Clothing Store Hands Over Keys To Supreme Sales System, Ltd.

Yes, We Have Turned Over The Keys

Necessity Knows No Law When a Thing
Has to Be Done

Our store is overstocked with Men's, Women's and Children's ready-to-wear. At the present time it is impossible to display our merchandise properly because of the crowded condition. We have decided to sell out about half this large stock—almost give it away, in order to make room to display our goods to a better advantage. Like a roaring Niagara we will utter in a parting of the ways between high prices and low prices. With a blare of trumpets that disturbs the peace and tranquility of the age of high prices.

Our ambition is to serve all the people faithfully and well. We urge the consumers not to pay tribute and be a prey to the claws of the human wolf of high prices parading through the country in sheep's clothing. This sale beginning Friday, April 17th, 10 a.m., and continuing for ten days will surely reach a climax and put all other sales in the shade. Our values will speak for themselves.

Thrifty Shoppers, Get This!

I'm Here to Sell This Stock and Sell It Quick!

My orders are definite and drastic. I've got to sell this stock and sell it in a hurry. Every dealing at this sale will be open and above-board. I've left the original price tags on the goods. In no single instance have they been tampered with. You can see with your own eyes that I am marking this stock for quick disposal. I have paid absolutely no attention to former costs and prices. It's up to you people to buy to the full limit and I know you will.

All I Am To Do Is Sell.

Terrific price cutting all over the store. Thousands of dollars worth of this high grade merchandise will sell like wildfire, for these prices will prove that cold type fails to describe this wanton price destruction. This sale will be a sensation. Standing room will be at a premium. Doors open at 10 a.m. sharp on a scene of bargains, brilliance and splendor. Come, test my statement.

A Death Blow To Regular Prices.

If you are economically inclined; if you know the market condition today; and if you are not bound, gagged and blinded with prejudice, by all means make arrangements to attend this big bona fide sale that will stir your soul with excited anticipation and send you home rejoicing with the bargains you will secure.
