OF THE CASE

(From Wednesday's Daily.) The Settlers' Rights case, now on i

Joseph Hunter, C. E., was called for found the ruins of three cabins on the property, and evidence of some clear-

to tender. A petition was heard by essay toward agricultural enterprise Chief Justice Hunter yesterday asking that there was not enough good land a reversal of the decision of the de-partment. The petition was refused. to warrant the supposition that he ex-pected to make a living on the place; that as a matter of fact he did not make a living on the place, and therefor was not a settler within the mean-

ing of the act. He contended that under the Settlers' Rights Act title was only given, by occupation, to so much land as was actually occupied, and did not convey the whole acreage originally staked out. According to this in-terpretation Grandam was entitled, not to 160 acres but only to that part itself which he had actually cleared or improved, namely about three acres. The act provided that application for

such reasonable proof, he argued, had not been offered.

The chief justice remarked that the ward a draft by-law to provide for the establishment of an incinerator in the Governor-in-Council and not to the He suggested that it was for the government to determine whether the proof offered was reasonable or not,
