(c) This information is not readily available from our accounting records.

(d)(i) Fifty-one per cent. This percentage reflects only the costs incurred under the foreign service hospitality directive by the various posts abroad.

(ii) Forty-nine per cent. This percentage reflects all other hospitality expenditures authorized by headquarters. Our accounting records do not readily allow a breakdown of hospitality costs incurred inside or outside Canada, except as described in (d)(i).

DOT—TECHNICAL PERSONNEL SERVICES

9 Question No. 2,913—**Mr. Clarke:**

With reference to the professional and special services recorded by the Department of Transport under the Marine Transportation Services Program at page 32.39, volume II of the 1979-80 Public Accounts of Canada, with particu-

lar reference to technical personnel services (a) how does the department explain the 79 per cent increase in expenditure for the item over that for 1978-79 (b) what was the name of each type of service (c) what was the amount paid for each service and, for contracts over \$2,000, to whom was it paid?

Mr. Jesse P. Flis (Parliamentary Secretary to Minister of Transport): (a) The main reason for the increase over 1978-79 expenditures was the grounding of the oil tanker *Kurdistan*. A total of \$913,861 was required for oil clean-up work, surveillance, environmental and legal consultation.

(b) The department has readily available only the name and amount of contracts over \$2,000.
